**SENATOR BARROW PARTNERS WITH COUNCILWOMAN WICKER AND
TV PERSONALITY DR. GADGET TO PROVIDE FLOOD VICTIMS
WITH MOSQUITO ABATEMENT EQUIPMENT**

District 15 State Senator Regina Barrow (D-Baton Rouge) is partnering with Councilwoman Tara Wicker, local ministry groups, and Dr. Gadget, a well-known, national television personality, to provide equipment for Louisiana flood victims to assist them in dealing with the climbing post-flood mosquito outbreak.

Dr. Gadget is known for his appearances on The View, The Steve Harvey Show, HGTV and more, where he promotes and gives away the latest household gadgets and high tech gear, including the DynaTrap insect trap.

1,000 of these DynaTraps, a well-known product sold around the nation to assist in dealing with mosquito populations, will be available to qualifying flood victims. Recipients must pre-register to get a device. Dr. Gadget, Senator Barrow, and Councilwoman Wicker along with Bishop D'Wight and Lady Sandra Pate of Church Point Ministries will be giving away the devices at an event on Saturday, September 24th at the Lighthouse Christian Fellowship Church at 10:00 a.m.
