SENATOR BISHOP SELECTED TO SERVE ON LOUISIANA COUNCIL ON THE SUCCESS OF BLACK MEN AND BOYS

Louisiana Senate President John A. Alario, Jr. has appointed District 4 State Senator Wesley Bishop to serve on the Louisiana Council on the Success of Black Men and Boys. The Council was re-established during the 2018 Regular Legislative Session with House Bill 711, Act 103, with the goal of helping black men and boys to reach their full potential.

“I am honored to serve on this council,” said Senator Bishop. “It is our goal to deliver cross-generational support to black men and boys across the state and to provide them with the resources they need to reach their educational and career goals. In turn, these men and boys will build strong, thriving communities.”

Senator Bishop will join 20 other members from across the state and different backgrounds - education, public safety, government, and religious communities - to provide and promote a state environment conducive to prosperity, success, and excellence for all black men and boys in the state of Louisiana.
