***SENATOR CLAITOR ENCOURAGES HOMEOWNERS TO
SEEK HELP FOR TOXIC DRYWALL***

District 16 State Senator Dan Claitor is encouraging those who think they might be suffering from toxic Chinese drywall in their homes to contact the Louisiana Recovery Authority (LRA). Currently, the LRA has set aside \$5 million to aid certain qualified homeowners affected by the contaminated drywall. Senator Claitor recommends that any homeowner who suspects they have the material in their home complete the online form at <http://lra.louisiana.gov/drywallform> or call the state's hotline at (866) 684-1713.
