**SENATE PRESIDENT ALARIO'S STATEMENT  
*RE: FORMER SENATOR HANK LAURICELLA***

**Following is a statement from Senate President John A. Alario, Jr. regarding the death of former State Senator Hank Lauricella.**

"We are all deeply saddened to learn of the passing of our friend and colleague Hank Lauricella. For decades he worked tirelessly to represent the citizens of Jefferson Parish, first in the Louisiana House of Representatives and then in the Louisiana Senate. He was truly a dedicated public servant and community leader at all levels. He left Louisiana a better place.

Our thoughts and prayers go out to his family and the Senate shares their loss."
