STATE SENATOR JONATHAN "JP" PERRY RECEIVES OUTSTANDING FAMILY ADVOCATE AWARD

Baton Rouge – The Louisiana Family Forum (LFF) recognized District 26 State Senator Jonathan "JP" Perry with the Outstanding Family Advocate award. To receive the Outstanding Louisiana Family Advocate award, a legislator must achieve a perfect rating on the LFF Action's annual scorecard.

"Family values are my top priority in the legislature, the community and my own home," said Sen. Perry. "I am honored to once again be receiving this distinguished award. I have and will always continue this commitment and dedication to Louisiana's traditional family values."

16 representatives and 12 senators earned the Outstanding Family Advocate award by scoring 100 percent on LFF's Scorecard. The legislators were honored during LFF's 15th Annual Legislative Awards Banquet on September 18th in Baton Rouge.

"Sen. Perry's voting record proves he is a strong supporter of family values, life, and limited government," said LFF President Gene Mills. "I am grateful for his principled positions and hard work during the 2014 Legislative Session. Vermilion Parish, Acadia Parish, Lafayette Parish, and St. Landry Parish have a strong and courageous senator in Jonathan Perry."
