State Senator Jonathan Perry earns A+ grade from the Louisiana Sheriffs' Association for Third Consecutive year

State Senator Jonathan Perry earned an A+ grade from the Louisiana Sheriffs' Association (LSA) for his work during the 2015 legislative session. In addition, Sen. Perry was recognized for his votes on legislation important to LSA with a score of 100%.

Each year, the Louisiana Sheriff's Association tirelessly works to provide a united voice looking out for the best interests of Louisiana Sheriffs' and public safety. The voting record allows for a better understanding of each legislator's voting patterns and holds each legislator accountable for their positions on issues relevant to the LSA and law enforcement. This year's legislative package was developed after months of collaboration with sheriffs across Louisiana, who submitted legislative proposals regarding issues that were most important to them.

"To be recognized as a friend in the Senate by the LSA for a third consecutive year is certainly something I'm very proud of. It is an organization whose foundation is to protect the citizens of our great state. As a former law enforcement officer their opinion is something I pay attention to," said Sen. Perry.

Sen. Perry currently serves as Vice Chairman of the Senate Judiciary C committee. Judiciary C is responsible for issues relating to administration of criminal justice, the Attorney General, District Attorneys, and prosecutors in general, including compensation, expenses, personnel, facilities, and the like, except retirement matters.
