"§10.15. Tax Credit Reduction Fund
Section 10.15.A. Each fiscal year beginning with Fiscal Year 2015-2016, the Revenue Estimating Conference shall determine the net increase in taxes collected during each fiscal year because of the effect on income and franchise tax credits provided by law on the initial effective date of this Section of the implementation of the ad valorem property tax exemptions provided for in Section 23(C)(20) and (21) of this Article and the reduction of the percentage of the fair market value of telephone company properties subject to assessment as provided for in Section (B)(5) of this Article. Such determination shall be approved by the Joint Legislative Committee on the Budget.

B.(1) After compliance with the requirements of Section 9(B) of this Article relative to the Bond Security and Redemption Fund and prior to any money being placed into the general fund or any other fund, an amount equal to that determined by the Revenue Estimating Conference and approved by the Joint Legislative Committee on the Budget shall be credited by the treasurer each fiscal year to a special fund hereby created in the state treasury to be known as the Tax Credit Reduction Fund. The money in the fund shall be used solely as provided for in Paragraph (C) of this Section.

C. The money in the Tax Credit Reduction Fund shall be used solely as follows in the following priorities:

It is the intention of this provision that no city and parish school system shall have its Minimum Foundation Program Formula allocation reduced as a result of the effect of the implementation of the ad valorem property tax exemptions and reductions referenced in Paragraph (A) of this Section on such city and parish school system's contribution.

Second, the balance of money remaining in the fund after the allocation provided in the first Subparagraph of this Paragraph shall be appropriated by the legislature for any purposes as determined by the legislature.

The exemptions provided for in Section 21(C)(20) and (21) of this Article and the valuation of telephone company properties at fifteen percent of fair market value provided for in Section 18(B)(5) of this Article shall only be effective for a Tax Year in which the Legislative Auditor provides written certification to the Louisiana Tax Commission that funds have been appropriated by the legislature in a law which has become effective which, upon receipt by an ad valorem property taxing authority, will be sufficient to offset the decrease in the total amount of ad valorem taxes collected by such taxing authority because of the operation of those provisions. The appropriation shall be a direct appropriation to state aid to local government for which local government determines the expenditure. The provisions of Article VII, Section 10(F)(1) and (2) shall not be applicable to nor affect such appropriations.

Section 2. Be it further resolved that the provisions of this proposed amendment shall apply retroactively to the Tax Year 2015 so that, notwithstanding any other provision of this constitution or other law to the contrary requiring the assessment and collection of ad valorem taxes by an earlier date, the Louisiana Tax Commission and assessors shall exempt or reassess property according to the terms of this proposed amendment and any ad valorem property taxes and associated charges paid for such tax year not in accordance with the terms of this proposed amendment shall be refunded.

Section 3. Be it further resolved that a decrease in the total amount of ad valorem taxes collected by a taxing authority because of the implementation of the provisions of this amendment shall not authorize the taxing authority to adjust its millages as provided for in Article VII, Section 23 of the Constitution of Louisiana.

Section 4. Be it further resolved that, providing for a matter related to the ad valorem property tax exemptions and reductions provided for in this proposed amendment, notwithstanding Article III, Section 16(B) or any other provision of this constitution or any other law to the contrary, any claim for an income tax or corporate franchise tax credit for ad valorem property taxes paid on the property provided for in this proposed amendment shall not be allowed in Fiscal Year 2015-2016.
