"§201.7. Automobile insurance provisions

A. (1) Insurers that write automobile insurance in this state may exclude any or all coverage afforded under the policy issued to an owner or operator of a personal vehicle for any loss or injury that occurs while a driver is logged on to a transportation network company's digital network during the pre-trip acceptance period or while a driver is engaged in a prearranged ride. This right to exclude coverage shall apply to any or all coverage in an automobile insurance policy including but not limited to:

- (a) Liability coverage for bodily injury.
- (b) Liability coverage for property damage.
- (c) Uninsured and underinsured motorist coverage.
- (d) Medical payments coverage.
- (e) Comprehensive physical damage coverage.
- (f) Collision physical damage coverage.

(2) The exclusions permitted in Subsection A of this Section shall apply notwithstanding any requirement under the Motor Vehicle Safety Responsibility Law, R.S. 32:851 et seq. or other laws. Nothing in this Section implies or requires that a personal automobile insurance policy provide coverage while the driver is logged on to the transportation network company's digital network during the pre-trip acceptance period, while the driver is engaged in a prearranged ride, or while the driver otherwise uses a vehicle to transport passengers or items for compensation.

(3) Nothing in this Part shall be deemed to preclude an insurer from providing coverage for the transportation network company driver's vehicle, if it chooses to do so by contract or endorsement.

B. (1) Automobile insurers that exclude the coverage described in R.S. 45:201.6 shall have no duty to defend or indemnify any claim expressly excluded thereunder. Nothing in R.S. 45:201.1 through 201.14 shall be deemed to invalidate or limit an exclusion contained in a policy including any policy in use or approved for use in this state prior to the effective date of this Part that excludes coverage for vehicles used to carry

persons or property for a charge or available for hire by the public.

(2) An automobile insurer that defends or indemnifies a claim against a driver that is excluded under the terms of its policy shall have a right of contribution against other insurers that provide automobile insurance to the same driver in satisfaction of the coverage requirements of R.S. 45:201.6 at the time of loss.

C. If a transportation network company's insurer makes a payment for a claim covered under comprehensive coverage or collision coverage, the transportation network company shall cause its insurer to issue the payment directly to the repair facility or jointly to the owner of the vehicle and the primary holder of any security interest, privilege, or lien on the covered vehicle. No fine shall result for a violation of this Subsection.

§201.8. Cooperation with investigation

In a claims coverage investigation, within fourteen days of a request for information, a transportation network company and any insurer potentially providing coverage under R.S. 45:201.6 shall cooperate to facilitate the exchange of relevant information with directly involved parties and any insurer of the transportation network company driver if applicable, including the precise times that a transportation network company driver logged on and off of the transportation network company's digital network in the twelve-hour period immediately preceding and in the twelve-hour period immediately following the accident and disclose to one another a clear description of the coverage, exclusions, and limits provided under any automobile insurance maintained under R.S. 45:201.6."
