B. The following students shall be deemed to satisfy the citizenship requirement of this Section:

C. An award under this Chapter shall be reinstated for any student who was determined eligible prior to the 2002-2003 school year, and such award was subsequently canceled due solely to that student's failure to become a United States citizen within one year after the date of the application, provided the student is a permanent resident, as defined by the United States Immigration and Naturalization Service, and is eligible to apply for United States citizenship or is now a United States citizen.
