The right to a credit or refund of any such overpayment shall not be subject to the requirements of R.S. 47:1621(B). All credits and refunds, together with interest thereof, must be paid or disallowed within one year of receipt by the secretary of any such claim for refund or credit. However, the department may withhold payment of a solar energy systems tax credit from a taxpayer if there are any existing state or federal liens, pending charges or investigations, or third party claims against such taxpayer or any of its affiliates or related parties. In such case, the department may withhold issuance of the tax credit until the department has received documentation which satisfactorily demonstrates that the matter has been resolved as determined by the secretary. For purposes of administering the first-come, first-served requirement, the return of any taxpayer whose claim for a tax credit is withheld for the aforementioned reasons shall be treated as received on the date the secretary deems such matters resolved. The secretary may exercise the right to withhold issuance of the tax credit for such purposes for any return, regardless of tax year or date received. The secretary of the Department of Revenue shall initiate an action to recover wrongful tax credits from any and all individuals or entities that have committed fraud or made a material misrepresentation resulting in the issuance of wrongful tax credits through any collection remedy authorized by 47:1561, and shall assess interest and penalties as provided for in connection with the fraudulent and delinquent nonpayment of taxes. The statute of limitations that shall apply to any such action by the Department is the statute of limitations applicable upon failure to file a return for the applicable tax period.

(3) The provisions of this Subsection are in addition to and shall not limit the authority of the secretary of the Department of Revenue to assess or to collect under any other provision of law.
