The commission shall:

(1) Promote, to the extent feasible and in accordance with law, uniformity and simplicity in sales and use tax compliance in Louisiana, while reserving to political subdivisions their authority to impose and collect sales and use taxes as provided in Article VI, Section 29 of the Constitution of Louisiana and other laws.

(2) With respect to any federal law as may be enacted by the United States Congress authorizing states to require remote sellers, except those remote sellers who qualify for the small seller exceptions as may be provided by federal law, to serve as the single entity in Louisiana to require remote sellers and their designated agents to collect from customers and remit to the commission sales and use taxes on remote sales sourced to Louisiana on the uniform Louisiana state and local sales and use tax base established by Louisiana law.

(a) Provide the minimum tax administration, collection, and payment requirements required by federal law with respect to the collection and remittance of sales and use tax imposed on remote sales.

(b) Establish a fiscal agent solely for the purpose of remote seller remittances.

B. As used in this Chapter, unless the context clearly indicates otherwise, the following terms shall be defined as follows:

(1) "Commission" means the Louisiana Sales and Use Tax Commission for Remote Sellers.

(2) "Executive director" means the executive director of the commission. The executive director of the Louisiana Uniform Local Sales Tax Board shall serve ex-officio as executive director of the commission unless otherwise directed by the commission.

(3) "Federal law" shall mean any federal law as may be enacted by the United States Congress authorizing states to require remote sellers, except those remote sellers who meet the small seller exceptions of federal law, to collect and remit sales and use taxes on remote sales sourced to Louisiana.

(4) "Local taxing authority" and "local" means those parishes, municipalities, special tax districts, political subdivisions, parish governing bodies, and school boards who are authorized under the provisions of the Constitution of Louisiana, the Louisiana Revised Statutes of 1950 and jurisprudence to levy and collect local sales and use taxes.

(5) The term "non-remote sale" means a sale that is not a remote sale.

(6) The term "non-remote seller" means a seller that is not a remote seller.

(7) The term "person" shall have the meaning as defined by federal law for purposes of remote sales but shall retain the meaning as provided in R.S. 47:301(8) for all other purposes in state and local sales and use tax law.

(8) "Sales and use taxes" and "taxes" shall mean the sales and use taxes levied by the state of Louisiana under the provisions of Title 47 of the Louisiana Revised Statutes of 1950 and the sales and use taxes levied by local taxing authorities in Louisiana under the provisions of the Constitution of Louisiana, statutory laws authorizing the imposition of such taxes, and local sales and use tax ordinances.

§340. Louisiana Sales and Use Tax Commission for Remote Sellers; Members; Powers

A. The duties of the commission shall be exercised and discharged under the supervision and direction of a commission with voting power and a non-voting executive director, all of whom shall be appointed and shall serve as provided in this Section:

B. The commission shall be comprised of eight voting commissioners as follows:

(1) The secretary of the Department of Revenue.

(2) Three employees or other officials of the Department of Revenue as appointed by the secretary.

(3) The members of the Louisiana Uniform Local Sales Tax Board appointed as provided in R.S. 47:337.102(B)(1)(e) through (h). In the absence of such a member, the chairman of the Louisiana Uniform Local Sales Tax Board may appoint a designee to attend commission meetings and vote on their behalf. A person eligible to serve as a designee shall be a permanent member of the board.

C. The commission shall elect its own chairman, vice chairman, and such other officers as its rules may direct.

D.(1) The commission shall meet as often and at such locations as directed by the chairman, who shall provide timely notice to the public as to the time and location of each meeting. A majority of the commission membership shall constitute a quorum for the transaction of business and no action shall be taken by the commission unless approved by a majority vote of the members present.

(2) The domicile of the commission shall be East Baton Rouge Parish. The commission may meet and conduct commission business at other locations within the state of Louisiana as it may from time to time determine, after timely notice to those persons who may be affected by the change in location.

E.(1) The commission shall select and employ an executive director who shall serve at the pleasure of the commission. The executive director, under and subject to the direct supervision and control of the commission, shall direct the day-to-day administration and enforcement of all laws, rules, policies, and regulations which it is the duty of the commission to administer and enforce. The executive director shall receive compensation and benefits as may be determined and fixed by the commission. The executive director may employ professional and administrative staff and set their rate of compensation and benefits, plus necessary expenses incurred in performing their duties, as may be approved by the commission. The commission may enter into a joint services agreement with any other agency, board, or political subdivision concerning the performance of its functions.

(2) The commission shall monthly remit monies, less any refunds and amounts retained for expenses as defined in Paragraph (3) of this Subsection, to the appropriate taxing jurisdiction by electronic funds to the designated bank account of that jurisdiction on or before the tenth business day of the month following the month of collection. Records of gross collections, refunds, and amounts retained for expenses shall be made accessible to the respective jurisdiction on a monthly basis.

(3) The commission and its operations shall be funded by an amount equal to actual expenses incurred which amount shall not exceed one percent of the total amount of state and local sales and use tax collected on remote sales by the commission. Subject to the limitations provided in this Paragraph, this amount shall be retained by the commission on a monthly basis from current collections of state and local sales tax on remote sales as collected by the commission prior to monthly distribution to the state and local collectors. The commission shall have no authority to retain these monies unless and until a federal law authorizing states to require remote sellers and their agents to collect state and local sales and use

taxes on their sales in each state has been enacted and becomes effective.

F. The commission shall develop rules and procedures in accordance with the Administrative Procedure Act with respect to implementation of the provisions of this Chapter.

G. The commission shall have the power, duty, and authority:

(1) To serve as the single entity within the state of Louisiana responsible for all state and local sales and use tax administration, return processing, and audits for remote sales sourced to Louisiana.

(2) To serve as the central, single agency to which remote sellers shall make state and local sales and use tax remittances.

(3) To assign and direct a single audit of remote sellers for the state and all local taxing authorities.

(4) To serve as the single state of Louisiana agency to represent both state and local taxing authorities in taking appropriate action to enable Louisiana to participate in programs designed to allow Louisiana to more efficiently enforce and collect state and local sales and use taxes on sales made by remote sellers.

(5) To conduct administrative hearings as requested by aggrieved remote sellers, administer oaths, and make adjustments to assessments when justified by the facts and the law, and render decisions following such hearings.

(6) To require remote sellers to register with the commission.

(7) To provide to the single tax collector for each parish an annual report of revenues collected and distributed for the previous calendar year, which report shall be provided on or before June first of each year.

(9) With the consent of the affected local taxing authority, to issue notices of intent to assess, notices of assessments, enforce collection of local sales and use taxes by distraint and sale, and institute summary proceedings or ordinary proceedings for collection of local taxes.

(10) To sue and be sued.

(11) Make the state of Louisiana a member of the Streamlined Sales and Use Tax Agreement.

(12) Authorize the commission to serve as a central state collection agency for local sales and use taxes.

(13) Limit any statutory and ordinal provisions in place as of the effective date of this Act that require dealers and taxpayers, with respect to non-remote sales, to pay and remit directly to the single sales and use collector in each parish the sales and use taxes due to each local taxing authority within each parish.

(14) Limit or amend any provision of R.S. 47:1508 and 1508.1.

I. The Louisiana State Law Institute is hereby authorized and requested to review all statutes which contain phrases being changed by this Chapter and in all locations it deems appropriate change the
