SENATOR DAN MORRISH ASSUMES NEW LEADERSHIP POSITION IN SENATE

NAMED AS CHAIR OF THE SENATE INSURANCE COMMITTEE

District 25 State Senator Dan 'Blade' Morrish (R-Jennings) takes on new leadership responsibilities in the Senate as the Chairman of the Senate Insurance Committee. Senate President Joel Chaisson (D-Destrehan) recently appointed Sen. Morrish to the new post.

The Senate Insurance Committee handles casualty, health, life, property and other insurance matters. Sen. Morrish says that he is excited to take on this new leadership role and understands how important insurance is to the citizens of Louisiana.

"Affordable insurance is a concern for citizens of not only South Louisiana but across the state," said Sen. Morrish. "I want to help ensure that citizens are getting the best, most affordable insurance policies on their homes, cars, health and lives. Accepting this position will aid my efforts in better serving the people of my district and state, and I am honored to have this opportunity."

In addition to this leadership position, Sen. Morrish will continue his membership on the Environmental Quality and Natural Resources Committee and Select Committees on Coastal Restoration and Flood Control and Hurricane Recovery. Sen. Morrish is also a member of the Joint Capital Outlay Committee and an interim member of the Senate Finance Committee.
