***SELECT COMMITTEE ON HURRICANE RECOVERY
SETS MEETING FOR NEXT WEEK***

The Select Committee on Hurricane Recovery will hold its next meeting beginning at 5:00 PM WEDNESDAY, MARCH 9TH at the NEW ORLEANS CITY COUNCIL CHAMBERS. The committee will focus on the Small Rental Property program, the Hazard Mitigation Grant program and hurricane recovery-related contracts. Citizens will also have the opportunity to address the committee and discuss their on-going concerns regarding recovery issues.

The scheduled meeting marks the beginning of District 5 State Senator Karen Carter Peterson's service as chair of the select committee. "I am eager to begin my new role as Chair of the Select Committee on Hurricane Recovery. Even 5 years after Hurricanes Rita and Katrina, the people of our state are still waiting to be made whole again due to inefficient and ineffective bureaucratic processes. I look forward to guiding this committee through the hard work ahead on behalf of the citizens of Louisiana," Sen. Carter Peterson said.
