AMENDMENT NO. 5

On page 1, after line 13, insert:

"(2) According to Statewide Order No. 29-E, wells drilled in search of oil to depths below three thousand feet subsea shall not be located closer than three hundred thirty feet from any property line nor closer than nine hundred feet from any other well completed in, drilling to, or for which a permit shall have been granted to drill to, the same pool. In addition, Statewide Order No. 29-E provides wells drilled in search of gas shall not be located closer than three hundred thirty feet to the property line nor closer than two thousand feet to any other well completed in, drilling to, or for which a permit shall have been granted to drill to, the same pool.

(3) The Legislature of Louisiana has become aware of the practice of granting exceptions to the above rules and allowing oil and gas operators to drill within the three hundred thirty feet property line and into the adjacent property. R.S. 31:16 provides that mineral rights are real rights and subject to either a prescription of nonuse for ten years or to special rules of law governing the term of their existence. One practical implication of allowing an exception to the three hundred thirty foot boundary rule is that the drilling of cross-unit wells could prevent the prescription of nonuse from running on the adjacent property. Officials at the Louisiana Oil and Gas Association and the Louisiana Mid-Continent Oil and Gas Association recognize that this practice impacts the rights of adjoining landowners in regards to the prescription of nonuse.

(4) The Cross-Unit Well Study Commission shall consist of members comprised as follows:

(a) The commissioner of conservation, who shall serve as the chairman.

(b) The director of the Louisiana Mineral Law Institute.

(c) Three people appointed by the Louisiana Oil and Gas Association. Two of the three people shall be attorneys who are licensed to practice law in Louisiana.

(d) Three people appointed by the Louisiana Mid-Continent Oil and Gas Association. Two of the three people shall be attorneys who are licensed to practice law in Louisiana.

(e) Two people appointed by the director of the Louisiana Mineral Law Institute. Each person shall be an attorney who is licensed to practice law in Louisiana and have at least fifteen years of legal experience in the oil and gas industry.

(f) One person appointed by the Louisiana Chapter of the National Association of Royalty Owners.

(5) The chairman shall hold the first public meeting of the commission on or before September 1, 2014, at the headquarters of the Department of Natural Resources, office of conservation. After the first meeting, the commission shall hold monthly public meetings at the headquarters of the Department of Natural Resources, office of conservation.

(6) The chairman shall report the commission's findings and recommendations to the Senate Committee on Natural Resources and the House Committee on Natural Resources and Environment not later than March 16, 2015.

(7) The members shall serve without compensation except per diem or expense reimbursement to which they may be individually entitled as members of the organizations.

(8) The commission shall be subject to the open meetings and public records laws.

(9) The provisions of this Section shall be void on August 1, 2015."
