Things You Need

Asset Mapping & Tracking

The screenshot displays the RallyPoint web application interface for asset mapping and tracking. At the top left is the RallyPoint logo. A navigation bar contains icons for 'SYS SETUP', 'INFO', 'LOCAL INFO', 'SUPPORT', and 'SIGN OUT'. On the top right is the LSU logo. Below the navigation bar, a user welcome message reads: 'Welcome: Sean O'Keefe [PROFILE] Emergency Contact: Bill Jenkins - 225.234.2345'. A menu bar includes 'OVERVIEW', 'TRUSTS', 'INBOX', 'DOCUMENTS', 'EVENTS', 'FACILITIES', 'REPORTS', and 'EVACUATE'. The main content area features a map of the United States with numerous blue location markers, each labeled with a number. On the left side, there is a sidebar with 'Company Overview' options: 'Interval Check In', 'Map', and 'Member Roster Report'. Below this, there are date selection fields for 'Start Date: 06/02/2008' and 'End Date: 06/03/2008', and an 'Event' dropdown menu set to 'All Events'. 'SUBMIT' and 'RESET' buttons are located below the date fields. At the top of the map area, it says '0 Employees Selected' and includes options for 'View Selected', 'Message Selected', and 'Clear Selected'. A 'Toggle' button and a 'Filter' dropdown are also present. The map includes a Google logo and a scale bar (200 miles, 500 kilometers). At the bottom left, it says 'POWERED BY Google'. At the bottom right, it says 'Map data ©2008 LeadDog Consulting, Tele Atlas' and 'Transformyx'.
