Summary Description/Nature of Change	Key/Implementation Responsibilities	Need	Action Needed	Benefit/Saving	Done/ Study
The Office of Coastal Protection and Restoration should continue utilizing the support, staff, science and legal services of other agencies to avoid duplication and retain efficiency.	Coastal Protection and Restoration Authority/Office of Coastal Protection and Restoration; Governor's Office, Louisiana institutions of higher education; Departments of Environmental Quality, Wildlife and Fisheries, and Natural Resources; and Attorney General's Office	Limits the need for additional state TOs to conduct services that other entities can readily provide.	No additional legislative action or rule making necessary. Policy changes within the agency and implementing departments may be necessary.	Reduces need for office space, supplies, and compensation. Total estimated savings \$425,000	done
