## **SEN. WHITE TAKES ON NEW RESPONSIBILITIES IN STATE SENATE** **NAMED TO TRANSPORTATION COMMITTEE**

District 6 State Senator Mack “Bodi” White (R-Central) is a new member of the Senate Committee on Transportation, Highways and Public Works. Senate President John A. Alario, Jr. named Sen. White to the panel which oversees state policies and programs relating to highways, roads, bridges, waterways, drainage, public works and more.

“I am looking forward to the opportunity to work with the other members of the committee to explore funding options and programs to address the state’s \$12.7 billion transportation infrastructure backlog,” Sen. White said. “The work of the transportation committee is particularly important now as we work to rebuild and recover from the devastating 2016 floods across Louisiana.”

Sen. White, who is serving his second term in the State Senate, previously served in the House of Representatives from 2004-2012. In addition to the transportation committee, Sen. White is vice-chairman of the Senate Committee on Commerce, Consumer Protection and International Affairs and is a member of the Senate Finance, Education and Judiciary C committees.
