**STATEMENT FROM SENATE PRESIDENT CAMERON HENRY ON PASSING OF
SENATOR LARRY SELDERS**

It is with unbelievable sorrow that we receive the news of our colleague and dear friend Senator Larry Selders' passing. Please pray for his wife Kendra and their two children in this difficult time. Larry was a friend to all he worked with and represented, always smiling and positive in all he did. His constituents and colleagues alike remember a man who gave his all in every endeavor. We will miss his light and his heart in the Senate.
