For the sole purpose of verifying that a company is in compliance with the requirements of this Chapter, annually at most, the department shall have the right to visually inspect a sample of records that the company is required to maintain. The sample shall consist of required records pertaining to up to one hundred drivers. If, after the initial review, the department has a reasonable basis to conclude that the company is not in compliance with the requirements of this Chapter, the department may, upon reasonable notice, conduct a supplemental audit of records for an additional selection of drivers. The audit shall take place at a location in Baton Rouge. Any record furnished to the department may, as appropriate, exclude information that would identify specific drivers or riders.

B. The governing body of a local governmental subdivision may request from the department a report on the results of the audit performed by the commission pursuant to Subsection A of this Section.

C. In response to a specific complaint against any driver or company, the department is authorized to inspect records held by the company that are necessary to investigate and resolve the complaint. Nothing in this Section shall be construed as applying to other department records related to its regulation of transportation network companies if such records do not include information that is otherwise designated confidential.

§2214. Local fees

A. A local governmental subdivision that enacted a transportation network company ordinance prior to March 1, 2018, that included a per-trip fee and has a company operating within the corporate limits of the local governmental subdivision as of March 1, 2018, is authorized to impose a fee up to or equal to the per-trip fee imposed by the local governmental subdivision's transportation network company ordinance as of March 1, 2018, on each intrastate prearranged ride originating within the corporate limits of the local governmental subdivision. Nothing in this Subsection shall be construed to allow a local governmental subdivision to impose any fees or requirements other than the per-trip fee specified in this Subsection.

B. Any local governmental subdivision not included in Subsection A of this Section is authorized to impose a fee of up to one percent of the gross trip fare for each intrastate prearranged ride. A local governmental subdivision that imposes a per-trip fee pursuant to Subsection A of this Section shall not also impose a fee pursuant to this Subsection. Nothing in this Subsection shall be construed to allow a local governmental subdivision to impose any fees or requirements other than the fee specified in this Subsection.

C. A local governmental subdivision authorized to impose a fee pursuant to Subsection B of this Section may impose the specified fee that complies with Subsection B of this Section by passing an ordinance. The ordinance shall impose the specified fee that complies with Subsection B of this Section on each company permitted by the department in accordance with R.S. 48:2203. A municipality's fee may apply only to intrastate prearranged rides originating within the incorporated limits of the municipality. A parish's fee may apply only to intrastate prearranged rides originating within the unincorporated portions of the parish.

D. A local governmental subdivision shall provide, at least thirty days prior, written notice to each company permitted by the department, in accordance with R.S. 48:2203, of an initial hearing, reading, or consideration of an ordinance imposing a fee pursuant to this Section. A local governmental subdivision shall also provide written notice within ten days of the passage of any ordinance imposing a fee pursuant to this Section. A fee imposed pursuant to this Section shall not go into effect until the first day of the month that is at least thirty days after passage of the ordinance imposing the fee.

E. If a local governmental subdivision passes an ordinance imposing a fee pursuant to this Section, a company shall collect the

May 18, 2018

fee on behalf of drivers for each intrastate prearranged ride. Each company shall remit the total fee to the local governmental subdivision on a quarterly basis within thirty days after the end of the calendar quarter.

F. The department shall have the sole audit authority with respect to fees remitted by a company to a local governmental subdivision. A company shall keep accurate books and records reflecting its accounting and payment of fees, pursuant to this Section, in accordance with generally accepted accounting principles. For each local governmental subdivision that passes an ordinance imposing a fee pursuant to this Section, the department may, at its discretion, upon reasonable prior written request, and no more than annually, conduct an audit by visually inspecting a company's books and records related to its accounting and payment of fees to the local governmental subdivision. Such an audit shall be limited to a single calendar quarter, which may be chosen by the department, for each local governmental subdivision. The department shall endeavor to have any such audits for a particular company occur within the same calendar quarter. If the local governmental subdivision has a reasonable basis to suspect a material underpayment by a company, the local governmental subdivision shall request that the department initiate an audit pursuant to this Subsection. If an underpayment of over fifty dollars to any local governmental subdivision is identified in an audit conducted by the department, the company shall remit the underpaid fees to the local governmental subdivision within thirty days of the conclusion of the department's audit. A local governmental subdivision shall not add additional audit authority by ordinance. Any record furnished or disclosed to the department may, as appropriate, exclude information that would identify specific drivers or riders.

G. The governing body of a local governmental subdivision may request to review the results of an audit conducted pursuant to Subsection F of this Section with respect to fees remitted by a company to the local governmental subdivision.

H. The total fee remitted to any local governmental subdivision by a company, any records maintained by a company pursuant to this Section that are obtained by a local governmental subdivision, the department, or any other public body, and any records that incorporate information from records maintained pursuant to this Section are designated confidential and are not subject to disclosure to a third party without prior written consent of the company. Nothing in this Subsection shall prohibit the department from communicating the results of an audit pursuant to Subsection F of this Section to the local governmental subdivision of which the fees were the subject of the audit.

§2215. Controlling authority

A. It is the intent of the legislature to provide uniform laws to govern companies, drivers, and vehicles throughout the state in order to protect and promote the safety and welfare of the residents of Louisiana.

B. Except as provided in R.S. 48:2214 and Subsection D of this Section, and notwithstanding any other provision of law to the contrary, companies, drivers, and vehicles are governed exclusively by state law, including Part C of the Motor Carrier law as provided for in R.S. 45:161 et. seq., this Chapter, and any rules promulgated by the department consistent with this Chapter.

C. A local governmental subdivision shall not do any of the following:

(1) Impose a tax on, or require a license for, a company, a driver, or a vehicle if such tax or license relates to providing prearranged rides, except as provided in R.S. 48:2214 or Subsection D of this Section.

(2) Require a company or a driver to obtain a business license or any other type of similar authorization to operate within the jurisdiction.

(3) Subject a company, a driver, or a vehicle to any rate, entry, operation, or other requirement of the governing authority, except as provided in R.S. 48:2214 or Subsection D of this Section.

D. The provisions of this Section do not prohibit an airport from charging pick-up fees for the use of the airport's facilities or designating locations for staging, pick-up, and other similar operations at the airport. An airport pick-up fee is not a local fee subject to the provisions of R.S. 48:2214.

E. Nothing in this Section may be construed to prohibit the state from maintaining, enforcing, prescribing, or continuing in effect any law or regulation regarding the sale, distribution, repair, or service of vehicles pursuant to Title 32 of the Louisiana Revised Statutes of 1950.

Section 3. The department shall also have the authority to promulgate rules and regulations to implement and enforce this Act. The rules and regulations may be more stringent than the requirements set forth in this Act, provided that they are consistent with the requirements of this Act. Additionally, the department shall report to the Joint Legislative Committee on Transportation, Highways and Public Works for review and approval of any rules or regulations promulgated by the department.

Section 4. This Act shall become effective July 1, 2018."
