(b) Reservations of credits shall be first-come first-served based upon the date of submission of a completed reservation application.

(d) All reservation applications received on the same business day shall be treated as received at the same time, and if the aggregate amount of the requests received on a single business day exceed the total amount of available tax credit reservations, tax credits shall be reserved on a pro rata basis.

(e) The Department of Culture, Recreation and Tourism shall make reasonable efforts to post an estimate of available credit reservation amounts on its website.

(2) An applicant seeking to reserve a tax credit pursuant to this Subsection, shall submit a reservation application to the Department of Culture, Recreation and Tourism on a form prescribed by the State Historic Preservation Officer.
