A. The board shall perform the duties and functions as authorized by the provisions of this Chapter and the regulatory authority with respect to the regulation of fantasy sports contests as provided by R.S. 27:15.

B. The board shall adopt, pursuant to the Administrative Procedure Act, all rules necessary to implement, administer, and regulate fantasy sports contests as authorized in this Chapter. The rules shall include but not be limited to the following:

(1) The issuance of any license, contract, or permit authorized by this Chapter, subject to regulation of the board.

(2) The methods of and forms and procedures for making an application for a license, contract, or permit to be considered by the board.

(3) The methods of and forms for providing to the board information concerning a person's family, habits, character, associates, criminal record, business activities, and financial affairs.

(4) Enforcement of this Chapter, gaming laws administered by the board, and rules of the board, including imposition and collection of fines, penalties, and other sanctions which may be imposed by the board against an operator or any other licensee or permittee of the board.

(5) A procedure requiring the withholding of winnings of persons who have outstanding child support arrearages or owing child support overpayments. Winnings shall only include payments for which the operator licensed under this Chapter is required to file form W2-G, or a substantially equivalent form, with the United States Internal Revenue Service.

(a) The board may require that the agency reporting current child support arrearages or overpayments provide information relating to such arrearages or overpayments in a manner, format, or record approved by the board that gives the operator licensed under the Chapter real-time or immediate electronic database access to the information. If the information relating to such arrearages or overpayments by the agency reporting current child support arrearages or overpayments is not available through real-time or immediate electronic database access, the operator shall not be responsible for withholding cash gaming winnings in accordance with the provisions of this Subparagraph.

(b) The board or operator licensed under this Chapter, including any of its officers, employees, attorneys, accountants, or other agents, shall not be civilly or criminally liable to any person, including any player, for any disclosure of information made in accordance with this Section, for encumbering or surrendering assets in response to information provided by the Department of Children and Family Services, or for any claims for damages arising from withholding or failing to withhold any winnings, based upon information provided to it.

(c) If any operator licensed under this Chapter determines that the winner is a player who has outstanding child support arrearages or owes child support overpayments, the operator licensed under this Chapter shall deduct the child support arrearage or child support overpayment from the payment of the winnings. The deducted amount shall be forwarded to the Department of Children and Family Services within seven days and the operator licensed under this Chapter shall pay the remainder to the player who has outstanding child support arrearages or owes child support overpayments. If the remainder is equal to or less than zero, the player who has an

outstanding child support arrearage or child support overpayment shall not receive a payment.

(d) Any operator licensed under this Chapter may deduct an administrative fee from each payment of winnings, of players who have outstanding child support arrearages or owe child support overpayments per singular or periodic payment, not to exceed thirty-five dollars.

(e) The board shall also require that the operator licensed under this Chapter to adopt procedures designed to prevent employees from willfully failing to withhold payments of winnings from players who have outstanding child support arrearages or child support overpayments, based upon the information provided by the Department of Children and Family Services that allows the operator to identify such persons.

(f) Not later than July 1, 2019, the board shall institute rulemaking procedures as necessary to implement the provisions of this Paragraph.

C.(1) Subject to the provisions of Article VII, Section 2.1 of the Constitution of Louisiana, and in accordance with the Administrative Procedure Act, the board may assess and provide for the imposition and collection of such fees as may be necessary to defray administrative costs associated with the application for and the investigation, granting, or renewal of licenses and permits.

(2) Any fine or other monetary penalty collected by the board or its staff shall be remitted to state treasury for deposit into the state general fund.

D. Upon direction of the board, the office of state police and the attorney general shall submit proposed rules to the board for consideration, modification, and promulgation as provided in this Section.

E. The board shall not adopt rules and regulations pertaining to campaign finance and contributions which are more restrictive than the provisions of law found generally in Chapter 11 of Title 18 of the Louisiana Revised Statutes of 1950, and specifically in R.S. 18:1505.2(L).

AMENDMENT NO. 9

"(1) Be a person domiciled in Louisiana or a domestic business entity with a certificate of existence from the Secretary of State and in good standing or a foreign corporation with a certificate of authority to transact business in this state from the Secretary of State and in good standing."

AMENDMENT NO. 10

On page 9, between lines 4 and 5, insert the following:

"§310. Reporting of gaming proceeds

An operator shall periodically report the following information to the division, which is not confidential and shall be available for public inspection:

- (1) The operator's gross fantasy sports contest revenues.
- (2) The operator's net revenue.

(3) Quarterly and annual financial statements regarding their operations in Louisiana submitted to division that present historical data, including annual financial statements that have been audited by an independent certified public accountant as required by R.S. 27:308(D).

§311. Child support orders

A. The legislature further finds and declares it to be the public policy of the state that parents should provide financial support to their minor children who cannot care for themselves. Thus, intervention by the state, through the enforcement of child support orders and the collection of child support, is in the best interest of its citizens and is necessary when the parents fail to meet their support obligations. Since children are adversely affected when parents who have outstanding support obligations divert their financial support to gaming, a parent's winnings from money diverted from a child's support should be applied to the parent's outstanding support obligations. The legislature further finds and declares that this policy is consistent with the public policy of protecting the general welfare of the state's people.

B. In accordance with this finding, the Department of Children and Family Services shall report to the joint committees on Civil Law

and Procedure and Judiciary A, no later than fifteen days following the commencement of the regular legislative session each year, on the interception and seizure of gaming winnings for the payment of child support and overpayments owed to the department. This report shall be a public record and shall include but not be limited to the total dollar amount of winnings intercepted pursuant to this Section and the dollar amount of each intercepted.

§312. Civil penalties; adoption of schedule of penalties

A.(1) All civil penalties for violations of this Chapter or any rule of the board governing this Chapter shall be adopted as a schedule of penalties.

(2) The Louisiana Gaming Control Board shall adopt as a rule the schedule of penalties provided for by this Subsection. All rules shall be adopted pursuant to the provisions of the Administrative Procedure Act.

B.(1) The board or division, as may be applicable, shall review the penalty schedule provided for in Subsection A of this Section to determine whether a penalty provided for in the penalty schedule is appropriate and applicable to a particular violation and, if the issuance of a civil penalty is warranted, may impose the applicable appropriate penalty.

(2) Any hearing officer of the board shall review the penalty schedule provided for in Subsection A of this Section to determine whether a penalty provided for in the penalty schedule and issued by the board or division, as may be applicable, is appropriate and applicable to a particular violation.

C. A civil penalty shall not exceed fifty thousand dollars for each violation of any provision of this Chapter or rule of the board.

D.(1) For the purposes of this Chapter violations shall be determined as follows:

(a) An operator shall be provided notice of the charged violation and may admit the violation and accept the penalty or may deny the violation and demand a hearing be held, pursuant to R.S. 27:25, to make a determination regarding the charge.

(b) For the purposes of determining whether a second or subsequent violation has occurred, each violation of the same rule or statutory provision shall have occurred on a separate occasion, by the same operator, and only violations that have occurred within a one-year period, regardless of when they were charged, admitted, or found to have occurred, shall be considered.

(2) For operators having more than one license issued pursuant to the provisions of this Chapter, civil penalties as provided in this Subsection shall only apply to the license incurring the violation.

E.(1) Payment of the civil penalty shall be a requirement for the retention of any permit or license held by the entity which violated any such provisions.

(2)(a) Failure to remit civil penalties shall result in the shutdown of the platform of the operator who refused to remit the civil penalty. The provisions of this Subparagraph shall apply only in those instances where no administrative hearing has been timely requested.

(b) Upon payment of the penalty, the platform may be reactivated.

F. If the operator contests the imposition of the civil penalty, the penalty shall be imposed only after an adjudicatory hearing is conducted pursuant to R.S. 27:25 and a basis for imposition of the penalty is determined to exist.

§313. Revocation or suspension of a license; civil penalty

A. The board or division, as may be applicable, shall initiate an administrative action and may revoke or suspend the license or permit of any person or the approval of any device issued pursuant to the provisions of this Chapter for any of the following:

(1) The failure to meet the requirements of suitability as defined in this Chapter or in any rules adopted by the board.

(2) The failure to meet the requirements for the issuance of a license as provided for in this Chapter or in any rules adopted by the board.

(3) Repeated violations of any of the provisions of this Chapter or any rule of the board governing this Chapter. "Repeated violations" shall mean three violations of the same rule or statutory provision which have occurred on separate occasions by the same operator within a one-year period. The date of a violation shall be considered to be the date the citation for that violation is issued.

May 29, 2019

B. For all other violations not listed in Subsection A of this Section, the board or division, as may be applicable, may issue a civil penalty pursuant to the provisions of R.S. 27:313.

C. In addition to or in lieu of the revocation or suspension of a license issued pursuant to the provisions of this Chapter, the board or division, as may be applicable, may impose a civil penalty not to exceed fifty thousand dollars for each violation of any provision of this Chapter or any rule of the board governing this Chapter.

D. In lieu of revocation or suspension of a license, the licensee may enter into a consent agreement or settlement to pay a penalty not to exceed fifty thousand dollars. No consent agreement or settlement shall exceed fifty thousand dollars.

E. No suspension imposed pursuant to the provisions of this Chapter shall exceed a period of thirty days.

§314. Investigations and violations

A. The division shall conduct such investigations, hearings, and inquiries as it deems necessary to fulfill its responsibilities under the provisions of this Chapter. A license may be suspended prior to a hearing upon a written finding of danger to public health and welfare.

B. As a condition of receiving a license under the provisions of this Chapter, each operator agrees that the division and its agents and employees shall have unrestricted access and the right to inspect any premises under the control of the operator in which any activity relating to the provisions of this Chapter is conducted.

§315. Limitation on active accounts; obligations to participants

An operator shall:

(1) Limit each authorized player to one active and continuously used account.

(2) Publish and facilitate parental control procedures to allow parents or guardians to exclude minors from access to any contest or platform. The procedures shall include a toll-free number to call for help in establishing such parental controls.

(3) Make clear conspicuous statements that are not inaccurate or misleading concerning the chances of winning and the number of winners when referencing the chances or likelihood of winning.

(4) Permit any authorized player to permanently close an account registered to the player, on any and all platforms supported by the operator or registrant, at any time and for any reason.

(5) Identify all highly experienced players in any contest by a symbol attached to the players' username, or by other visible means, on all platforms supported by the operator or registrant.

(6) Disclose the number of entries a single authorized player may submit to each contest.

(7) Disclose the maximum number of total entries allowed for each contest.

(8) Implement measures to protect the privacy and online security of authorized players, their account, and their personal financial information.

§316. Charging for inactive accounts

A. An operator shall not charge players for inactive accounts.

B. An operator shall only charge players for entry fees placed or contests entered. No player shall be charged for failure to enter on a fantasy sports contest or for failure to deposit certain amounts of cash or cash equivalent into any account."
