Re: Line Item Vetoes in House Bill 1 of the 2021 Regular Session

Dear Speaker Schexnayder and President Cortez:

Please allow this letter to inform you that I have signed House Bill 1 of the 2021 Regular Session. However, I have exercised my line item veto authority granted to me to veto 8 items.

I have exercised my line item veto authority as follows:

**Veto No. 1: Delete Lines 16-19 on Page 4 of 230, beginning with the last sentence ("Any subsequent change . . ."): This language is unnecessary, as this oversight of the Personal Services expenditure categories is already performed by the Executive Branch. Further, this provision violates Article II, Section 2 of the Louisiana Constitution.**

**Veto No. 2: Delete Lines 21-25 on Page 12 of 230:** This language is unnecessary, as this information is already provided throughout the bill. Additionally, this oversight is afforded to the Joint Legislative Committee on the Budget through the budget adjustment process.

**Veto No. 3: Delete Lines 26-30 on Page 12 of 230:** This language is unnecessary, as this oversight of agency expenditures is already performed by the Executive Branch.

**Veto No. 4: Delete Lines 46-48 of Page 18 of 230:** This amendment would reduce necessary funding for operating services and contractual obligations.

Veto No. 5: Deleted Lines 1-3 on Page 20 of 230: This language is unnecessary oversight of the Homeowners Assistance Fund program. Further, this provision violates Article II, Section 2 of the Louisiana Constitution.

Veto No. 6 Delete Lines 23-35 on Page 88 of 230: The entities that are transferring the funds are in the best position to identify or verify the source of their funds set for transfer, not the Department. Thus, the transferring entity is the entity which should certify as to the fact that the funds transferred are "public funds" pursuant to federal regulation. Further, this provision violates Article II, Section 2 of the Louisiana Constitution.

Veto No. 7 Delete lines 12-13 on Page 197 of 230: This item contains an unnecessary appropriation.

Veto No. 8 Delete Lines 38-40 on Page 199 of 230: This item contains an unnecessary appropriation.

Enclosed is a copy of the signed version of House Bill 1. I have sent the original to the Secretary of State.

Sincerely, JOHN BEL EDWARDS Governor

"§287.442. Exceptions to taxable year of inclusion; taxable year deductions taken

\* \* \*

B. Period for which deductions and credits shall be taken.

(1) ~~The taxable year in which to claim the federal income tax deduction allowed by R.S. 47:287.85 shall be determined as follows, regardless of the method of accounting regularly employed by the taxpayer:~~

(a) ~~The federal income tax deduction may be claimed for the same taxable year in which the federal income tax sought to be deducted is incurred, provided the taxpayer files a federal income tax return for such taxable year or is included with affiliates in a consolidated federal income tax return for such taxable year.~~

(b) ~~(i)~~ (a) Taxable year for adjustments to taxpayer's federal income tax return. Except as otherwise provided in this ~~Subparagraph~~ Paragraph, adjustments affecting federal taxable income which are made to the taxpayer's income tax return subsequent to filing, whether made because of a deficiency proposed by the government, a court order, an amended return, or other appropriate instrument or act, showing an overpayment or a deficiency shall be taken into account for purposes of this Part in the period for which the return was filed, unless the prescriptive period for the collection of tax or the refund or credit of overpayments, as the case may be, has expired. If the applicable prescriptive period has expired, the additional tax paid by the taxpayer in the case of an underpayment or the refund or credit received by the taxpayer in the case of an overpayment shall be for the taxable year such tax was paid, such refund was received, or such credit was allowed, as the case may be.

(ii) (b) When a federal refund results from transactions or conditions which arise after the close of the taxable year for which the refund is made, such federal refund shall be taken into account, for purposes of this Part, for the taxable year in which arose the transactions or conditions causing the refund.

(c) (2) Taking federal adjustments into account. A payment of additional federal tax upon income which has borne Louisiana tax shall be taken into account by decreasing taxable income. That portion, if any, of such additional federal tax payment which would be disallowed as a deduction under either R.S. 47:287.81 or R.S. 47:287.83 shall be excluded from such adjustment. Refunds or credits of federal overpayments, including refunds or credits created by the carryback of a federal net operating loss, shall be taken into account by increasing Louisiana net income or decreasing the Louisiana net

loss, as the case may be. That portion, if any, of the federal refund or credit of an overpayment which has not previously been charged against or deducted from Louisiana net income shall be excluded from such adjustment.

(d) (3) Adjustments made to the Louisiana return. Adjustments to a return filed pursuant to this Part, whether initiated by the secretary or the taxpayer, shall be taken into account in the taxable year for which the return was filed in accordance with rules, regulations, or forms prescribed by the secretary.

(e) (4) If a deduction is claimed and allowed in any period, the same deduction cannot again be claimed in a subsequent period in which it otherwise would be properly deductible, unless the taxpayer, prior to the running of prescription with respect to the first period, shall have amended his return for that period so as to eliminate the deduction and shall have paid any additional tax which may be due as a result thereof, together with any interest and penalties that may be applicable thereto.
