RE: Veto of Senate Bill 36 of the 2022 Regular Session

Dear President Cortez:

Please be advised that I have vetoed Senate Bill 36 of the Regular Session of 2022.

Senate Bill 36 expands the crime of simple assault and provides for increased penalties when an assault is committed upon a store employee during the commission of a theft. This bill would inappropriately take away the discretion of a court in sentencing by requiring a mandatory minimum sentence of fifteen days, without the benefit of suspension, for anyone convicted under this provision. Further, it is unnecessary as the court has discretion to impose a sentence of up to ninety days under current law.

In addition, under current law, prosecutors have the opportunity to charge further offenses depending on the circumstances. Pursuant to La. R.S. 14:65, simple robbery is the taking of anything of value belonging to another from the person of another or that is in the immediate control of another, by use of force or intimidation, but not armed with a dangerous weapon. Whoever commits simple robbery shall be fined not more than three thousand dollars, imprisoned with or without hard labor for not more than seven years, or both. In the

June 2, 2022

event a store clerk is placed in reasonable apprehension of receiving a battery during the commission of a theft, simple robbery is a possible charge.

Under La. R.S. 14:64.1, first degree robbery is the taking of anything of value belonging to another from the person of another, or that is in the immediate control of another, by use of force or intimidation, when the offender leads the victim to reasonably believe he is armed with a dangerous weapon. When the offender leads the store employee to believe the offender is armed with a dangerous weapon, the prosecutor may charge the offender with first degree robbery. Furthermore, this crime carries a sentence of imprisonment for not less than three years and for not more than forty years, without benefit of parole, probation or suspension of the sentence.

In situations where the offender is armed with a dangerous weapon during the commission of a theft and the store keeper is placed in fear of receiving a battery during the commission of the theft, it is an armed robbery. Under La. R.S. 14:64, whoever commits an armed robbery shall be imprisoned at hard labor for not less than ten years and for not more than ninety-nine years, without benefit of parole, probation, or suspension of sentence.

Each of the aforementioned crimes require the prosecutor to prove the offender engaged in the taking of anything of value belonging to another from the person of another, or that is in the immediate control of another, by use of force or intimidation. If the store employee is placed in apprehension of receiving a battery, one must reasonably conclude the offender used "force or intimidation." Furthermore, when two or more offenders engage in the perpetration or attempted perpetration a crime the law of principals may be applied as all persons concerned in the commission of a crime, whether present or absent, and whether they directly commit the act constituting the offense, aid and abet in its commission, or directly or indirectly counsel or procure another to commit the crime are culpable.

Although Senate Bill 36 intends to increase penalties for offenders who intimidate store employees during the commission of a theft, the fact remains that there are numerous other crimes in existing law that prosecutors have the discretion to utilize in making charging decisions. Senate Bill 36 creates an unnecessary expansion of the criminal code and therefore, it has to be vetoed.

Sincerely,
JOHN BEL EDWARDS
Governor

§1055. Money transmitters; delivery of funds requirements; exceptions

A. Every money transmitter licensee and its agents shall transmit the monetary equivalent of all money or equivalent value received from a consumer for transmission, net of any fees, or issue instructions committing the money or its monetary equivalent, to the

person designated by the consumer, or return such amount to the consumer, within ten business days after receiving the money or equivalent value, unless otherwise ordered by the consumer, accepted under the terms of a contract for stored value or when the transmission is for the payment of goods or services, or unless the licensee or its agent has reasonable cause to believe that a violation of law has occurred, is occurring, or will occur in connection with transmitting the money.

B. For purposes of this Section, money is considered to have been transmitted when it is mailed, released to the relevant payment system for delivery, or is otherwise available to the person designated by the consumer and, where possible, a reasonable effort has been made to inform the designated person that the money is available.

C.(1) Any provision in a money transmitter licensee user policy or user agreement which provides a financial penalty or stipulated damages against a consumer or charitable organization as defined by R.S. 51:1901, for executing a lawful and valid transaction under federal and state law is contrary to public policy and shall be null and void.

(2) A money transmitter licensee shall provide notice to a consumer of any transaction that the money transmitter finds to be or is suspected of being in violation of the user policy or user agreement and for which the licensee seizes the transaction funds, unless such notice is prohibited by law. Any funds seized by the money transmitter prior to providing such notice, unless such notice is prohibited by law, and found to be from a lawful and valid transaction under federal and state law shall be processed by the licensee in accordance with Subsection A of this Section.

D. The enforcement of any choice-of-law provision in a money transmitter licensee user policy or user agreement that would result in a contravention of the public policy of this state as expressed by Subsection C of this Section shall be null and void to the extent of such contravention.

E. A money transmitter licensee that seizes or holds funds pursuant to a user policy or user agreement provision that is subject to nullification as provided by this Section shall return to the consumer any funds held or seized as a result of such violation, including any financial penalty or stipulated damages assessed, and such money transmitter licensee may cancel the service contract.

F. The commissioner of the Office of Financial Institutions shall have the authority to enjoin a violation of this Section, and any such violation shall be considered an unfair trade practice and shall subject violators to the provisions of R.S. 51:1401 et seq. Entities covered by this Section shall be subject to the enforcement powers of the commissioner of the Office of Financial Institutions as provided in R.S. 6:121.1. For purposes of this Section, the provisions of R.S. 51:1406 shall not apply to a money transmitter licensee.

G.(1) The provisions of this Section shall not apply to any federally insured financial institution, its subsidiaries, and affiliates.

(2) The provisions of this Section shall not apply to an operator of a payment system or its subsidiaries and affiliates which are exempt from licensing under The Sale of Checks and Money Transmission Act, R.S. 6:1031 et seq., to the extent that the operator of a payment system provides processing, clearing, or settlement services, between or among persons, in connection with wire transfers, credit card transactions, debit card transactions, stored value transactions, automated clearing house transfers, or similar funds transfers."
