RE: Veto of Senate Bill 5 of the 2022 First Extraordinary Session

Dear President Cortez:

Please be advised that I have vetoed Senate Bill 5 of the First Extraordinary Session of 2022.

The bill is the Legislature's effort to conduct the mandatory reapportionment of the congressional map for the United States House of Representatives. While much work was put into the development of this map by members of the Legislature, it is clear that the primary rationale behind the creation and passage of the map was to protect incumbents and to preserve the party split in the current congressional delegation. In so doing, the Legislature disregarded the shifting demographics of the state, which unquestionably call for the addition of a second majority minority district. Specifically, the Black voting age population in the state increased by 4.4% from the 2010 census to the 2020 census, resulting in the Black voting age population making up 31.2%, almost one-third of the State's population. Instead of accounting for this increase in population, the Legislature preserved the status quo and enacted a map where Black voters in five of the six congressional districts are deprived of the opportunity to elect a candidate of their choice.

It is my firm belief that this map violates Section 2 of the Voting Rights Act of 1965 and further is not in line with the principle of fundamental fairness that should have driven this process. In choosing this map, the Legislature rejected numerous alternative maps with two majority minority districts, which happen to be one-third of the six congressional districts, that would have given more Black voters an opportunity to elect a candidate of their choice. While no electoral map is perfect, and no map is a guarantee of success for a certain candidate, these alternatives would have allowed for a fairer allocation of voting strength to a population that has been historically disadvantaged. As eloquently discussed by Senator Cleo Fields on the floor of the Senate, only five Black members from Louisiana have been elected and seated in the United States House of Representatives since statehood. This injustice cannot continue.

This veto need not be the conclusion of the Legislature's efforts to create a map that is in compliance with Section 2 of the Voting Rights Act. There are multiple pre-filed bills for the 2022 Regular Session where the Legislature can – and should – enact a map that creates a second majority minority seat. By vetoing this bill, I am asking the Legislature to get back to work in a real effort at

compromise and fairness. I remain confident that the Legislature can get this right.

Sincerely,
JON BEL EDWARDS
Governor

Motion
