R.S. 40:1749.12, 1749.13(B)(6), 1749.14(C)(2) and (4), 1749.18(B)(4), and 1749.19 are hereby amended and reenacted and R.S. 40:1749.13(F) and 1749.23(B)(4) are hereby enacted to read as follows: §1749.12. Definitions

As used in this Part, the following terms have the meanings ascribed to them in this Section:

(1) "Agricultural excavator" means a person who owns or operates a farm and is directly involved in the cultivation of land or crops or who raises livestock.

(2) "Clear or no conflict" means a response provided by an owner or operator of underground utilities or facilities when the

owner or operator determines that its facilities or utilities are not in conflict with the proposed area of excavation.

~~(2)(3)~~ "Commissioner" means the commissioner of conservation.

~~(3)(4)~~ "Damage" means any defacing, scraping, gouging, breaking, cutting, or displacement of, impact upon or removal of an underground facility or utility or its means of primary support.

~~(4)(5)~~ "Demolisher" means any person engaged in the act of demolishing as defined in Paragraph ~~(2)(6)~~ of this Section.

~~(5)(6)~~ "Demolition" means the total or partial wrecking, razing, rendering, moving, or removing of any building or structure, movable or immovable.

~~(6)(7)~~ "Emergency" means any crisis situation which poses an imminent threat or danger to life, health, or property, which requires immediate action, if such action is taken. The term also includes an unplanned utility outage, which requires immediate action, if such action is taken.

~~(7)(8)~~ "Excavation" or "excavate" means any operation causing movement or removal of earth, rock, or other materials in or on the ground or submerged in a marine environment that could reasonably result in damage to underground or submerged utilities or facilities by the use of powered or mechanical or manual means, including but not limited to pile driving, digging, blasting, augering, boring, back filling, dredging, compaction, plowing-in, trenching, ditching, tunneling, land-leveling, grading, and mechanical probing. "Excavation" or "excavate" shall not include manual probing, normal commercial farming operations, or any activity resulting from force majeure related occurrences, including but not limited to an act of God or an act of nature.

~~(8)(9)~~ "Excavator" means any person who engages in excavation operations.

~~(9)(10)~~ "Forestry excavator" means an excavator who is a logger, prescribed burner, site preparation operator, or tree planter for commercial forestry operations.

~~(10)(11)~~ "Inclement weather" means weather that prohibits or impedes a worker's use of his locating equipment or causes undue risk to himself or his equipment such as lightning, heavy rain, tornadoes, hurricanes, floods, sleet, snow, or flooding conditions.

~~(11)(12)~~ "Large project excavation or demolition" means excavation or demolition activity within a contiguous area that cannot reasonably be completed within twenty calendar days for routine demolition or excavation or within thirty calendar days for agricultural, forestry, or marine excavation or demolition activity.

(13) "Locate request" means a communication between an excavator or demolisher and the regional notification center in which a request for locating underground utilities or facilities is processed.

~~(12)(14)~~ "Marine excavator" means an excavator or demolisher who is performing excavation or demolition in areas such as swamps, wetlands, shallow water, waterways, rivers, bayous, bays, lakes, the sea, and arms of the sea.

~~(13)(15)~~ "Mark-by time" is the date and time provided by the regional notification center by which the utility or facility operator is required to mark the location or provide information to enable an excavator or demolisher, using reasonable and prudent means, to determine the specific location of the utility or facility as provided for in R.S. 40:1749.14(D). The mark-by time may be extended if mutually agreed upon and documented between the excavator and operator.

~~(14)(16)~~ "Normal commercial farming operations" means the following operations or activities for agriculture cultivation purposes:

(a) Operations or activities that do not encroach upon a private utility or pipeline servitude, public right-of-way, or a public franchise area.

(b) Operations or activities that do encroach upon a private utility or pipeline servitude and the depth of the excavation is less than twelve inches in the soil below the existing surface grade.

~~(15)(17)~~ "Operator" means any person who owns or operates a public or private underground facility or utility which furnishes a service or material or stores, transports, or transmits electric energy, steam, oil, gases, natural gas, gas, mixture of gases, petroleum, petroleum products, hazardous or flammable fluids, toxic or corrosive fluids/gases, including telephone or telegraph system, fiber optic electronic communication systems, or water or water systems,

or drainage, sewer systems, or traffic control systems or other items of like nature.

(18) "Person" means an individual, firm, partnership, association, limited liability company, corporation, joint venture, municipality, governmental agency, political subdivision, or agent of the state or any legal representative thereof.

(19) "Pipeline" means all intrastate and interstate pipeline facilities defined by 49 CFR 192.3 and 49 CFR 195.2.

(20) "Positive response" means once a facility owner or facility operator marks the location of existing facilities in the proposed excavation area or determines that excavation or demolition is not in conflict with any existing underground facilities, the facility owner or facility operator then notifies the excavator of the status of the location request ticket by appropriate response through the regional notification center's positive response system.

(21) "Regional notification center" means any one of the following:

(a) An entity designated as nonprofit by the Internal Revenue Service under Section 501(c) of the Internal Revenue Code and which is organized to protect its members from damage and is certified by the Department of Public Safety and Corrections in accordance with this Part.

(b) An organization of operators, consisting of two or more separate operators who jointly have underground utilities or facilities in three or more parishes in Louisiana, which is organized to protect its own installation from damage and has been certified by the Department of Public Safety and Corrections in accordance with this Part.

(c) An operator who has underground utilities or facilities in a majority of parishes in Louisiana and is organized to protect its own installation from damage, and has been certified by the Department of Public Safety and Corrections in accordance with this Part.

(22) "Routine excavation or demolition" means excavation or demolition activity that requires no more than twenty calendar days to be completed, and no more than thirty calendar days for agricultural, forestry, or marine excavation or demolition activity.

(23) "Service line or lines" means underground facilities or utilities which provide power, gas, natural gas, communication, or water capabilities to a building or structure or buildings or group of structures.

(24) "Ticket" means the notification sent by the regional notification center to any owner or operator who has a facility located within the proposed area of excavation.

(25) "Ticket number" means a unique identification number assigned by the regional notification center to each locate request.

(26) "Underground facility or utility" means any pipe, conduit, duct, wire, cable, valve, line, fiber optic equipment, or other structure which is buried or placed below ground or submerged for use in connection with storage, conveyance, transmission, or protection of electronics communication system, telephone or telegraph system, or fiber optic, electric energy, oil, natural gas, gas, gases, steam, mixture of gases, petroleum, petroleum products, hazardous or flammable fluids/gases, toxic or corrosive fluids/gases, hazardous fluids/gases, or other substances of like nature or water or water systems, sewer systems or traffic, drainage control systems, or other items of like nature.

(27) "Wildfire" means an uncontrolled combustion of natural vegetation.

§1749.13. Excavation and demolition; prohibitions

B.(1) * * *

(6) At least one person on any underground or submerged excavation or demolition site shall have proof of completion of the training and education provided by the Regional Notification Center. Training is required on an annual basis through the Regional Notification Center and shall be available through its website free of charge. Excavators or demolishers engaged in logging operations, or those who have been certified by an operator qualification program subject to Title 49, CFR, Part 192 or Part 195, shall be exempt from this requirement.

* * *

F.(1) The provisions of this Subsection shall apply only to excavation activities performed in connection with broadband

development projects funded in whole or in part through the Broadband Equity, Access, and Deployment (BEAD) Program.

(2) Prior to commencing excavation on a BEAD-funded broadband project, an excavator shall provide not less than thirty days advance notice to all operators with underground facilities located in the proposed project area by utilizing the regional notification center's large project excavation or demolition locate request.

(3) After providing thirty days advanced notice, but prior to the requirements of Subsection B of this Section, the excavator or demolisher and the operator having facilities within the excavation project area shall attempt in good faith to enter into a mutual written agreement that shall determine the scope of work, the mark-by-times, and any other project-specific coordination requirements. The agreement shall not be unreasonably withheld, conditioned, or delayed. In the event the parties are unable to reach a mutual written agreement, excavation shall not be delayed on that basis alone. The operator may comply with either of the following:

(a) The standard marking requirements and timelines set forth in this Chapter.

(b) At the operator's election, any marking schedule or coordination agreement already agreed to by other operators for the same excavation project. Nothing in this Section shall relieve any party of its obligations under this Chapter.

(4) Each executed written agreement shall be electronically uploaded by the excavator or demolisher to the regional notification center and attached to the applicable large project excavation or demolition ticket. The written agreement shall be available at the excavation site for inspection.

(5) If facility markings are not visible at the time excavation is to commence, and no positive response has been provided by the operator with any underground utility or facility in conflict in the proposed area of excavation, the excavator shall not begin excavation until documented notice is made to the operator of the underground utility or facility. The operator shall have three hours from the time documented notice is made to either mark the facility or provide a positive response that there is no conflict. If the operator fails to respond within three hours of the documented notice, the excavation may commence with the excavator or demolisher exercising due care to protect any underground utility or facility within the area of excavation.

(6) Any excavator or demolisher performing excavation activities in the public right-of-way pursuant to a BEAD-funded broadband project shall display, at the excavation site, signage identifying the excavator, demolisher or their agents or contractors, the broadband service provider for whom the work is being performed, and a telephone number or email address for project inquiries.

(7) Each project shall comply with the provisions of this Part.

(8) The provisions of this Subsection shall terminate on August 1, 2030.

§1749.14. Regional notification center

C.(1) * * *

(2) If the operator does not visibly mark the location of these utilities or facilities, the operator shall provide information to enable an excavator using reasonable and prudent means to determine the approximate location of the utility or facility including but not limited to written or electronic information in the form of maps, drawings, or GPS coordinates showing any potential conflicts within the area of planned excavation. The information provided by the operator shall include a contact person and a specific telephone number for the excavators to call. After the operator has received the notification request, the information on location, size, and type of underground utility or facility must be provided by the operator to the excavator prior to excavation.

* * *

(4) Should an underground utility or facility operator determine that its underground facilities are not in conflict with the location of the request or determine that its underground facilities are not fully marked for locating purposes, a notification shall be sent to the excavator prior to the mark-by-time. A notification to the regional notification center that generated the location request shall suffice for

compliance with this Section as it pertains to positive response A facility operator shall provide a positive response through the regional notification center before expiration of the time allowed for marking. The response shall indicate whether the operator's facilities are present and marked, not present, or that additional time is required.

§1749.18. Certification of a regional notification center by Department of Public Safety and Corrections

B. For the purposes of promoting cost effectiveness, ease of use, safety, and the protection of property, workmen, and citizens from damage, injury, and death, the rules and regulations shall include but not be limited to requirements that any regional notification center, that is either certified or that applies for certification pursuant to the provisions of this Chapter, shall have and maintain the following:

(4)(a) Specifically defined geopolitical services areas that are coterminous with parish boundaries and do not overlap any other defined service area.

(b) The provisions of this Paragraph shall apply only to those regional notification centers described in R.S. 40:1749.12(13)(a)(21)(a).

§1749.19. Voluntary participation by incorporated municipalities and parish governments

A. Each incorporated municipality or parish government that operates under a home rule charter that was adopted prior to January 1, 1958, which owns or operates, in its own right or through a special district or districts created pursuant to constitutional, home rule, or statutory authority, a drainage system, a sewer system, drainage, water or water system, telephone or telegraph, fiber optic, electronics equipment system, traffic control system, or an electrical energy system and/or a gas or natural gas system underground facility within its local jurisdiction which would otherwise be included in R.S. 40:1749.14, and which does not desire to be so included, shall adopt an ordinance indicating this desire by adopted an ordinance on or before December 31, 1998, indicating its desire to be excluded from the provisions of R.S. 40:1749.14 shall be exempt from the requirements of R.S. 40:1749.14. This exemption shall apply to all such systems that are owned or operated by the incorporated municipality or parish government in its own right or through a special district or districts, including those systems existing at the time that the incorporated municipality or parish government adopted the ordinance indicating its desire to be excluded from the provisions of R.S. 40:1749.14 and those subsequently established or acquired. Each exempt incorporated municipality, parish government, and public utility shall maintain a permitting process or other established procedure through which a permittee may obtain, if available, information regarding the approximate location of such systems owned or operated by the incorporated municipality, parish government, or public utility that are situated in the immediate vicinity of the permitted work or area of excavation. The ordinance shall be filed with the secretary of state for verification purposes. An incorporated municipality or parish government which fails to adopt the ordinance shall be subject to the provisions of this Part on and after December 31, 1998.

B. Each municipality or parish government which owns or operates in its own right, or through a special district or districts created pursuant to law, a drainage system, a sewer system, water or water system, telephone or telegraph, fiber optic, electronics equipment system, traffic control system, an electrical energy system, natural gas system, and/or a gas system underground facility within its local jurisdiction which would otherwise be included in R.S. 40:1749.17, and which is incorporated or created subsequent to July 1, 1997, and which does not desire to be so included, shall comply with the provisions of Subsection A of this Section within one year of the date of its first municipal elections or within one year of the date of creation of a special district.

§1749.23. Enforcement and adjudication; administration; levy of civil penalties

B. The deputy secretary for the office of public safety services in the Department of Public Safety and Corrections or any local law enforcement agency shall have the right to:

(4) Order the cessation of excavation or demolition activities when the officer has reasonable cause to believe the excavator is operating in violation of this Part. Excavation or demolition shall not resume until the excavator demonstrates compliance with this Part. For the purposes of this Paragraph, "reasonable cause" means articulable facts observed by the officer that would lead a reasonable person to believe that a violation of this Part is occurring or is about to occur, including but not limited to the absence of a valid locate ticket, an expired ticket, excavation within unmarked or improperly marked areas, or other observable noncompliance pursuant to this Part.
