Senator Cloud's statement on the death of former Governor Edwin Edwards

July 12, 2021 - State Senator Heather Cloud released a statement today following the death of former Governor Edwin Edwards. Sen. Cloud said, "Today we mourn the loss of a true Louisiana treasure. I woke up to the sad news that Governor Edwin Edwards had passed to his eternal home.

This precious man treated me with such respect, without regard to gender, race or party affiliation. He made me feel valuable, equal and as an asset in the world of politics and government. His friendship and respect he freely offered and I wholeheartedly embraced.

As is the case with everyone who knew Governor Edwards, he will forever occupy a special place in my heart. Rest In Peace Governor."
