### **INDUSTRIAL HEMP ADVISORY COMMITTEE SET TO MAKE RECOMMENDATIONS**

The Louisiana Industrial Hemp Advisory Committee is set to meet on Thursday, January 28, 2021 to discuss and approve recommended legislation relative to the regulation of industrial hemp, hemp products, and hemp-derived CBD Products.

#### **INDUSTRIAL HEMP ADVISORY COMMITTEE HEARING**

Thursday, January 28, 2021

1:30 p.m.

House Committee Room 5

Louisiana State Capitol | Baton Rouge

The committee, co-chaired by Senate and House Agriculture Committee Chairmen, District 33 State Senator Stewart Cathey, Jr. and District 13 State Representative Jack McFarland, was created during the 2020 Regular Session. Its purpose is to advise the legislature on how best to both regulate and support the new industry. Stakeholders and interested citizens are encouraged to attend the meeting or tune in on the legislative website at [www.legis.la.gov](http://www.legis.la.gov). The agenda can be viewed at <https://legis.la.gov/legis/Agenda.aspx?m=4648>.
