Payment of the penalty shall not relieve the Road Home Program and the contractor of its obligation to provide the file.

H. The right to a determination of the grant amount, as follows:

(b) An appeal shall be timely, regardless of the date of grant determination or the date of closing, and whether the applicant has previously had an appeal through the Road Home Program process or office of community development, provided it is commenced not later than six months after the effective date of this Chapter.

(c) Within ten days of the receipt of the notice of appeal by

the Road Home Program, the program shall provide the division of administrative law a complete copy of the applicant's file. The program shall also provide a copy of the file to the applicant if not previously provided.

(d) The applicant shall be entitled to a hearing before the administrative law judge and may choose to participate in person or by telephone. An applicant may waive his appearance at the hearing in writing or by telephone. The Road Home Program shall confirm such choice in writing to the applicant within ten days. The proceedings shall be recorded and available for transcription if requested by the applicant at reasonable cost.

(e) Any relevant evidence may be offered by any party, including evidence not previously considered in the grant determination process, provided good cause is shown for its introduction and the evidence is provided to the administrative law judge and the opposing parties no less than ten days before the hearing.

(f) The administrative law judge shall conduct the hearing within sixty days of the filing of a notice of appeal, unless such delay is waived in writing by all parties, and shall provide written findings of fact and conclusions of law concerning the applicable program policies and rules supporting the decision. (g) The administrative law judge shall review the records compiled in connection with the grant application and determination, together with any submissions, briefs, or memoranda submitted by the parties. The administrative law judge may receive additional evidence from the parties.

(h) Neither the contractor nor any subcontractor shall determine or decide any issue presented in the appeal.

(i) All issues in the determination of the grant may be appealed. All policies, rules, and procedures of the Road Home Program and the office of community development for determining eligibility and the grant amount shall be liberally construed in favor of the applicant on appeal.

(j) The highest pre-storm valuation in the applicant's file shall be used in the appeal process for grant calculation unless it is proved by the Road Home Program, by clear and convincing evidence, that the highest valuation is clearly wrong, the result of applicant fraud or misconduct, or would lead to an inequitable result.

(2)(a) An applicant who chooses to mediate an adverse grant determination shall notify the Road Home Program using a notice of intent to mediate form provided every applicant by the Road Home Program, which form shall be mailed by the applicant, by certified mail, return receipt requested, to the Road Home Program address provided by the program. A notice of intent to mediate shall also be mailed by the applicant, by certified mail, return receipt requested, to the division of administrative law. The notice shall be mailed within thirty days of the date of the grant determination or the date of closing, whichever occurs later. The Road Home Program shall provide each applicant with an Explanation of the Right to Mediate, together with the forms necessary to file for mediation and the address to use to notify the program and the division of administrative law of intent to mediate.

(b) A notice of intent to mediate an adverse grant determination shall be timely, regardless of the date of grant determination or the date of closing, and whether the applicant has previously had an appeal through the Road Home Program process or office of community development, provided it is commenced not later than six months after the effective date of this Chapter.

(c) Mediation shall be conducted by an impartial third party, whose duty shall be to facilitate the resolution of the dispute between the parties.

(d) The director of the division of administrative law shall appoint as a mediator a third party who is agreed on by the parties, or if the parties cannot agree, the director shall appoint an impartial third party of his own choosing who is trained as a mediator.

(e)(i) The mediator appointed under this Section shall encourage and assist the parties in reaching a settlement of their dispute, but may not compel or coerce the parties to enter into a settlement agreement.

(ii) Unless expressly authorized by the disclosing party, the mediator may not disclose to either party information given in confidence by the other party and shall at all times maintain confidentiality with respect to communications relating to the subject matter of the dispute.

(iii) Unless the parties agree otherwise, all matters, including the conduct and demeanor of the parties and their counsel during the settlement process, are confidential even to the court.

(f) The director of the division of administrative law shall set a reasonable fee for the services of the mediator.

(g) If the parties reach a settlement and execute a written agreement disposing of the dispute, the agreement is enforceable in the same manner and to the same extent as a transaction or compromise under the provisions of Civil Code Article 3071 et seq.

(h)(i) Except as otherwise provided in this Subparagraph, a communication made by a participant in a mediation procedure relating to the subject matter of the dispute, whether before or after the filing of suit, is confidential, is not subject to disclosure, and may not be used as evidence against the participant in any other judicial or administrative proceeding.

(ii) Any record made during a mediation procedure is confidential, and the participants or the mediator may not be required to testify in any proceedings relating to or arising out of the matter in dispute or be subject to process requiring disclosure of confidential information or data relating to or arising out of the matter in dispute.

(iii) An oral or written communication used in or made a part of a mediation procedure is admissible or discoverable if it is otherwise admissible or discoverable under the Code of Evidence, the Code of Civil Procedure, or any other applicable statute.

(iv) Any dispute over the disclosure or discovery of communications made during the mediation process shall be submitted for resolution to the director of the division of administrative law.

J. The right of the indigent to legal assistance in the grant application process and on appeal.

(1) The Road Home Program shall continue its commitment to provide low-income Louisiana residents with the legal help they need to obtain a grant when they have complications with their application, in accordance with R.S. 49:220.1 et seq.

(2) Any applicant in need of legal assistance for title work or other issues related to grant qualification and who cannot afford the cost of such assistance shall be provided referral to public agencies and non-profit legal services for assistance with his claims through appeal and mediation, and subsequent legal action if such is elected by an applicant. Funding for such services shall be provided as needed by the state but shall not be funded from Road Home Program funds. The Louisiana Recovery Authority shall promulgate rules and regulations, in accordance with the Administrative Procedure Act, to implement this Subsection.

K. The right to an independent audit of applicant files by the legislative auditor and applicant protection for overpayments not the result of their own fault.

(1) The legislative auditor shall conduct an audit of applicant files in accordance with governmental auditing standards, as described herein.

(2) Beginning in July 2008, and every six months thereafter until all applicant's files have been closed, the legislative auditor shall examine a statistically representative sample of closed Road Home applicant files and after these files have completed the final review process established by the office of community development, the results of these audits shall be provided to such applicants, upon written request.

(3) The legislative auditor shall include information for all sampled applicant files regarding the length of time an application was pending prior to closing. In addition, the legislative auditor shall separately examine a statistically representative sample of applicant files for which no grant payments were paid for the purpose of determining whether these applicants were properly determined to be ineligible.

(4) The legislative auditor shall also attest that each applicant's award in the sample is supported with adequate and credible information provided by the applicant or the Road Home Program.

(5) The legislative auditor shall carry out the audit with the use of a licensed certified public accountant, as he deems necessary, subject to terms and conditions which he may prescribe.

(6) If the legislative auditor cannot attest to the correctness of a grant amount for an applicant's grant, reviewed as part of the sample, the Road Home Program will be directed to correct the award calculation and provide the applicant all sums due, with legal interest to commence ten days after final attestation by the legislative auditor.

(7) The applicant shall be required to repay only such sums as are determined an overpayment if proven to be the result of applicant fraud or for duplication of benefits or if the overpayment would be manifestly unjust.

(8) All applicants shall be entitled to administrative law judge review or third-party mediation, at the applicant's option, in the event of a grant overpayment, as attested to by the legislative auditor, unless the overpayment is not contested, in writing.

(9) In the event that the legislative auditor finds that a statistically significant number of the grant amounts are not correct, he may perform such additional review of Road Home applicant grants as he deems necessary.

(10) The legislative auditor shall report the results of his first audit of closed applicant files not later than December 31, 2008, and each subsequent audit report shall be issued every six months thereafter.

L. The right to investigation and oversight of the Road Home Program by the state inspector general.

(a) Investigate evidence of a pattern of excessive billing on state contracts.

(b) Investigate mismanagement of governmental operations.

(c) Investigate waste or abuse of things of value belonging to or used by the office of community development or the Road Home Program.

M. The right to the use of unobligated Road Home Program funds for applicants most in need of those funds for repair or rebuilding their homes. To meet the spirit of the statement, "Middle to low income families with homes of moderate value, in particular, are less likely than other income groups to get enough Road Home compensation grants to rebuild," the Louisiana Recovery Authority should, depending upon funding resources, propose an Action Plan Amendment to HUD to use any unobligated Road Home Program funds to:

(1) Increase the maximum amount of the Additional Compensation Grant from fifty thousand dollars to seventy-five thousand dollars.

(2) Increase the eligibility for Additional Compensation Grants from eighty percent to up to one-hundred twenty percent of the Area Median Income.

N. The right to the use of unobligated Road Home Program funds for an ombudsman who shall confer with community workers who help Road Home Program applicants. The Louisiana Recovery Authority shall propose an Action Plan Amendment to HUD to use unobligated Road Home Program funds to establish an ombudsman program within the office of community development to serve Road Home applicants.

Section 4. R.S. 49:220.5(A)(13) and (H) and 220.24(M) are hereby enacted to read as follows:

Section 5. Notwithstanding any provision of Section 4 of this Act to the contrary, any funds expended in support of the activities provided in support of the Road Home Applicants' Bill of Rights shall be limited to expenditures of Community Development Block Grant monies pursuant to supplemental appropriations authorized by the United States Congress through the U.S. Department of Housing and Urban Development (HUD) to the state of Louisiana under the provisions of P.L. 109-148, P.L. 109-234, or P.L. 110-116.

Section 6. Within thirty days of the effective date of this Section, the Louisiana Recovery Authority is hereby authorized and directed to prepare an Action Plan Amendment incorporating the Road Home Bill of Rights as provided in Section 3 of this Act, which Action Plan Amendment shall be submitted for the review and approval of the governor, the Joint Legislative Committee on the Budget, and the legislature, all in accordance with the provisions of P.L. 109-148, P.L. 109-234, or P.L. 110-116 and in accordance with the provisions of R.S. 49:220.5, which Action Plan Amendment shall be submitted to the U.S. Department of Housing and Urban Development for its review and approval.

Section 7. Sections 3, 4 and 5 of this Act shall become effective only if and when such Action Plan Amendment incorporating the Road Home Bill of Rights is approved by the U.S. Department of Housing and Urban Development.

Section 8. This Section and Sections 1, 2, 6, and 7 of this Act shall become effective upon signature by the governor or, if not signed by the governor, upon expiration of the time for bills to become law without signature by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. C. Monies in the fund shall be invested in the same manner as the state general fund monies. Interest earned on the investment of monies in the fund, after being credited to the Bond Security and Redemption Fund pursuant to Article VII, Section 9(B) of the Constitution of Louisiana, shall be credited to the fund. All unexpended and unencumbered monies and earnings remaining in the fund at the end of the fiscal year shall remain in the fund and shall be available for allocation in the next fiscal year in the same manner and for the same purposes as provided in this Section.

(2) After such actuarially accrued liability has been fully funded, the monies in the fund may be used by the Department of Public Safety and Corrections for funding retirement benefits for employees of the department who are members of this system.

E. The treasurer shall promptly inform the chairmen of the House Committee on Appropriations, the House Committee on Retirement, the Senate Committee on Finance, and the Senate Committee on Retirement and the board of trustees of the Louisiana State Employees' Retirement System in writing of the date on which the

June 17, 2008

B. The amount of the unfunded actuarially accrued liability, if any, resulting from the implementation of the provisions of this Act which provide for benefits for probation and parole officers in the office of adult services of the Department of Public Safety and Corrections who were employed on or before December 31, 2001, who were paying employee contributions at the rate of nine percent on that date, and a required amortization payment therefor shall be determined by the Public Retirement Systems' Actuarial Committee as part of the annual adoption of the official actuarial valuation for the Louisiana State Employees' Retirement System pursuant to R.S. 11:127, beginning with the June 30, 2010, valuation. Such unfunded actuarially accrued liability shall be amortized as a separate unfunded accrued liability forming level dollar payments over a period of ten years.

C. The additional actuarial cost, if any, of the benefit provisions for probation and parole officers in the office of adult services of the Department of Public Safety and Corrections who were employed on or before December 31, 2001, who were paying employee contributions at the rate of nine percent on that date, contained in this Act not funded by payments pursuant to Section 2(B) of this Act shall be funded with increased employer contributions, in compliance with Article X, Section 29(E)(5)(b) of the Constitution of Louisiana.

AMENDMENT NO. 2

On page 1, line 4, after "expenses;" insert the following: "to provide for public policy regarding gaming and child support; to provide for the intercept and seizure of payments of progressive slot machine annuities and cash gaming winnings for the payment of child support and overpayments to the department;"

AMENDMENT NO. 3

On page 2, after line 27, insert the following:  
"Section 2. R.S. 27:2(C) and (D) and 24(A)(5) are hereby enacted to read as follows:

§2. Public policy of state concerning gaming; status of licenses, contracts, and permits

\* \* \*

**C. The legislature further finds and declares it to be the public policy of the state that parents should provide financial support to their minor children who cannot care for themselves. Thus, intervention by the state, through the enforcement of child support orders and the collection of child support, is in the best interest of its citizens and is necessary when the parents fail to meet their support obligations. Since children are adversely affected when parents who have outstanding support obligations divert their financial support to gaming, a parent's winnings from money diverted from a child's support should be applied to the parent's outstanding support obligations. The legislature further finds and declares that this policy is consistent with the public policy of protecting the general welfare of the state's people.**

**D. In accordance with this finding, the Department of Social Services shall report to the joint committees on Civil Law and Procedure and Judiciary A, no later than fifteen days following the commencement of the regular legislative session each year, on the interception and seizure of gaming winnings for the payment of child support and overpayments owed to the department. This report shall be a public record and shall include but not be limited to the number of jackpots intercepted pursuant to this Section and the amount of each jackpot intercepted.**

\* \* \*

§24. Rulemaking authority; fees and fines, collection

A. The board, in accordance with the Administrative Procedure Act and R.S. 27:15(B)(8), shall promulgate all rules and regulations necessary to carry out the provisions of this Title, including but not limited to the following:

\* \* \*

**(5) A procedure requiring the withholding of payments of progressive slot machine annuities and cash gaming winnings of persons who have outstanding child support arrearages or owing child support overpayments, prior to the payment of a progressive slot machine annuity, beginning with the second annuity payment, or cash gaming winnings. Progressive slot machine annuities or cash gaming winnings shall only include payments for which the entity licensed or permitted under Chapters 1, 4, 5 or 7 of Title 27 of the Louisiana Revised Statutes of 1950, is required to file form W2-G, or a substantially equivalent form, with the United States Internal Revenue Service.**

**(a) The board may require that the agency reporting current child support arrearages or overpayments provide information relating to such arrearages or overpayments in a manner, format, or record approved by the board that gives the entity licensed or permitted under Chapters 1, 4, 5 or 7 of Title 27 of the Louisiana Revised Statutes of 1950, real-time or immediate access to the information. If the information relating to such arrearages or overpayments by the agency reporting current child support arrearages or overpayments is not available through real-time or immediate access, the licensee shall not be responsible for withholding cash gaming winnings in accordance with the provisions of this Subparagraph.**

**(b) The board or any entity licensed or permitted under Chapters 1, 4, 5 or 7 of Title 27 of the Louisiana Revised Statutes of 1950, including any of its officers, employees, attorneys, accountants, or other agents, shall not be civilly or criminally liable to any person, including any customer, for any disclosure of information made in accordance with this Section, for encumbering or surrendering assets in response to information provided by the Department of Social Services, or for withholding or failing to withhold any progressive slot machine annuities or cash gaming winnings, based upon information provided to it.**

**(c) If any entity licensed or permitted under Chapters 1, 4, 5 or 7 of Title 27 of the Louisiana Revised Statutes of 1950, determines that the winner of a progressive slot machine annuity or cash gaming winnings is a person who has outstanding child support arrearages or owes child support overpayments, the entity licensed or permitted under Chapters 1, 4, 5 or 7 of Title 27 of the Louisiana Revised Statutes of 1950, shall deduct the child support arrearage or child support overpayment from the payment of the progressive slot machine annuity or cash gaming winnings. The deducted amount shall be forwarded to the Department of Social Services and the entity licensed or permitted under Chapters 1, 4, 5 or 7 of Title 27 of the Louisiana Revised Statutes of 1950, shall pay the remainder to the person who has outstanding child support arrearages or owes child support overpayments. If the remainder is equal to or less than zero, the person who has an outstanding child support arrearage or child support overpayment shall not receive a payment.**

**(d) Any entity licensed or permitted under Chapters 1, 4, 5 or 7 of Title 27 of the Louisiana Revised Statutes of 1950, may deduct an administrative fee from each payment of a progressive slot machine annuity, beginning with the second annuity payment, or cash gaming winnings, of persons who have outstanding child support arrearages or owe child support overpayments per singular or periodic payment, not to exceed thirty-five dollars.**

**(e) The board shall also require that the entity licensed or permitted under Chapters 1, 4, 5, or 7 of Title 27 of the Louisiana Revised Statutes of 1950, adopt procedures designed to prevent employees from willfully failing to withhold payments of progressive slot machine annuities or cash gaming winnings from persons who have outstanding child support arrearages or child support overpayments, based upon the information provided by the Department of Social Services that allows the licensee to**

**identify such persons.**

**(f) The board shall enact such rules and regulations in accordance with the provisions of this Subparagraph by January 1, 2009.**

\* \* \*  
\* \* \*

Section 3. R.S. 46:236.15(D)(1)(introductory paragraph) and (a) are hereby amended and reenacted to read as follows:  
§236.15. Limited administrative authority for certain paternity and child support actions

\* \* \*

**D. Authority to seize and intercept.**

(1) In cases in which there is a child support arrearage or child support overpayment made to a custodial parent, and after notice of such arrearage or overpayment has been made by certified **or regular** mail, personal service, or domiciliary service, the agency shall have the administrative authority to:

(a) Intercept, encumber, freeze, or seize periodic or lump sum payments from a state or local agency or any entity licensed or permitted by any state agency or board under Chapters 1, 4, 5, or 7 of Title 27 of the Louisiana Revised Statutes of 1950, including but not limited to unemployment compensation benefits, workers' compensation, and other benefits, judgments, settlements, lottery winnings, progressive slot machine annuities beginning with the second annuity payment, **cash gaming winnings**, assets held in financial institutions, and public and private retirement funds. The provisions of R.S. 13:3881 providing general exemptions from seizure are applicable to the provisions of this Subparagraph. After the agency encumbers, intercepts, or freezes any assets set out in this Subsection, it shall notify the payor that he has thirty days to advise the agency that he wishes to appeal the seizing of said assets. Upon receipt of such notice, the agency shall either release the property or schedule a hearing with the appropriate court. If the payor fails to file an appeal within thirty days, the agency may institute proceedings through administrative process to seize or sell the property in accordance with state law."
