On April 1, 2011, in order to meet the definition of a community mental health center, forty percent of the services provided by such centers must be provided to non-Medicare recipients. Currently, Louisiana's community mental health centers serve a substantial number of non-Medicare recipients, which is necessary to meet the forty percent payor mix threshold mandated by the Act if they are not permitted to provide services to our Medicaid population.

5(1) Currently, community mental health centers are certified by the Centers for Medicare and Medicaid Services. While Department of Health and Hospitals does license mental health clinics, it does not license mental health centers. Executive Order BJ 08-24, authorized the department to begin accepting applications for enrollment in the Medicaid program from Medicare-certified community mental health centers for purposes of adjudicating crossover claims from the Medicare program. The executive order also provided for the department to begin licensing and accepting applications for enrollment in the Medicaid program from new mental health clinics upon publication and promulgation of rules and regulations providing for a revised reimbursement system and standards of participation for mental health clinics. These rules have not yet been published by the Department of Health and Hospitals.

5(2) The purpose of this Part is to propose changes to the reimbursement methodology for community mental health centers and community mental health clinics reimbursed through the office of mental health and the Medicaid program to ensure that such centers and clinics are paid in accordance with R.S. 46:2746.

§2746. Reimbursement methodology; rules and regulations
A. The Department of Health and Hospitals shall work with stakeholders to develop a common reimbursement methodology for freestanding Medicare certified community mental health centers and community mental health clinics; to direct the Department of Health and Hospitals to establish a common reimbursement methodology for community mental health centers and community mental health clinics; to direct the department to promulgate rules and regulations relative to the uniform reimbursement methodology; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. Part II of Chapter 58 of Title 46 of the Louisiana Revised Statutes of 1950, to be comprised of R.S. 46:2745 and 2746, relative to reimbursement methodology for mental health services; to direct the Department of Health and Hospitals to establish a common reimbursement methodology for community mental health centers and community mental health clinics; to direct the department to promulgate rules and regulations relative to the uniform reimbursement methodology; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 2. The Louisiana State Law Institute is hereby directed to place the provisions of R.S. 46:2741 through 2744 in their entirety within Part I of Chapter 58 of Title 46 of the Louisiana Revised Statutes of 1950, and to designate Chapter 58 as "Reimbursement Methodology" and Part I as "Reimbursement Methodology of Nursing Homes".
