A. The legislature finds that the state, through the Department of Natural Resources, should promote the generation and use of alternative energy sources, including but not limited to wind energy, geothermal energy, solar energy and hydrokinetic energy, throughout the state to ensure the viability of the state's natural resources, to provide a continuing utility-scale clean energy source for the citizens and businesses of Louisiana, to support economic development through job retention and creation in Louisiana, and to promote a clean environment.

B. The State Mineral and Energy Board, hereinafter referred to as the “board”, has authority to lease for the development and production of minerals, oil, and gas, or alternative energy sources, any lands belonging to the state, or the title to which is in the public, including roads beds, water bottoms, vacant state lands, and lands adjudicated to the state at tax sale. (b) No port or port, harbor, and terminal district shall receive compensation for their approval.
(2) After the port or port, harbor, and terminal district decides whether or not to grant approval, the board shall send a notice by certified mail to the lease applicant for alternative energy sources development. The notice shall include the following:

(a) The decision of the port or port, harbor, and terminal district to provide either prior written approval of the lease or to deny approval of such lease.

(4) The port or port, harbor, and terminal district shall contract with the division of administrative law to conduct the hearing. The administrative law judge may, in his discretion, assess the costs of the administrative hearing and reasonable attorney fees of the prevailing party against the losing party.

(5) Notwithstanding any provision of the law to the contrary, the lease applicant or the port or port, harbor, and terminal district may petition the district court for the parish of East Baton Rouge for judicial review of any final decision or order of the administrative law judge.

E. The mineral board is further authorized to collect a fee for such leasing in the amount of ten percent of the total cash bonus paid at the lease sale. The fee shall be in addition to the total cash bonus paid.
