(b) In lieu of paying the deficit or difference plus interest, the member may at his option, but only at the time of transfer, be granted an amount of credit in the plan which is based on the amount of funds actually transferred plus any additional funds less than the deficit paid by the member.

(c) Except as otherwise provided in Paragraph (d) of this Subsection, a member who completes a transfer under the provisions of this Section shall have his retirement benefit calculated using the accrual rate of the plan from which he transferred based on the number of years transferred.
