AMENDMENT NO. 4
On page 3, after line 24, insert the following:

"§2183. Verification of employees engaged in public contract work; findings; definitions; penalties; effective date

A. Findings.

(1) The legislature finds that when illegal immigrants are living in this state and are encouraged to reside here through the benefit of employment without verification of immigration status, the result is that the enforcement of federal immigration law is impeded and obstructed, the security of the nation's borders is undermined, and the privileges and immunities of the citizens of Louisiana are impermissibly restricted.

(2) The legislature further finds that it is a compelling public interest of this state to discourage illegal immigration by requiring employers who do business with the state of Louisiana to cooperate fully with federal immigration authorities in the enforcement of federal immigration law.

B. Definitions.

For the purposes of this Section, the following terms shall have the following meanings, unless the context clearly indicates otherwise:

(1) "Status verification system" means the electronic verification of work authorization program of the Illegal Immigration Reform and Responsibility Act of 1996, 8 U.S.C. 1324(a), and operated by the United States Department of Homeland Security, known as the "E-Verify" program.

(2) "Legal alien" is a person who is or was lawfully present or permanently residing legally in the United States at the time of employment and remains so throughout the duration of that employment.

C. A private employer shall not bid on or otherwise contract with a public entity for the physical performance of services within the state of Louisiana unless the private entity verifies in a sworn affidavit attesting to both of the following:

(1) The private employer is registered and participates in a status verification system to verify that new employees are legal citizens of the United States or are legal aliens.

(2) The private employer shall continue, during the term of the contract, to utilize a status verification system to verify the legal status of all new employees.

D. Penalties; employer liability; appeal.

(1) Any employer violating the provisions of this Section shall be subject to cancellation of any state or public contract, resulting in ineligibility for any state or public contract for a period of not more than three years from the date the violation is discovered.

(2) Any contractor or employer shall be liable for any additional costs incurred by any agency or entity of the state of Louisiana, or any of its political subdivisions, occasioned by the cancellation of a contract or loss of any license or permit to do business in the state, as provided in this Subsection D.
(3) Any person, contractor, or employer penalized in accordance with this Section shall have the right to appeal to the appropriate agency, department, or other government entity sanctioning the person or to the district court of competent jurisdiction.

E. The provisions of this Section shall apply only to contracts entered into on or after January 1, 2011.

Senator Riser moved adoption of the amendments.
