"Telephone company property" shall mean the property owned or used in the state in the operation of a company primarily engaged in the business of transmitting telephone messages within, through, into, or from this state; however, the term "telephone company property" shall not include the property of any company that:

1. Primarily is engaged in the business of owning, operating, or managing a radio common carrier as shall be defined by law; or a public "for hire" radio service.

AMENDMENT NO. 7
On page 2, delete lines 2 through 4, and insert the following:

"(21) Vessels, including ships, oceangoing tugboats, and barges, principally operated in Outer Continental Shelf Lands Act Waters. "Outer Continental Shelf Lands Act Waters" shall mean all waters above all submerged land seaward and outside of the area of state submerged lands beneath navigable waters as defined in the Submerged Lands Act, 43 U.S.C. §1301 et seq. The term shall further mean all waters above Outer Continental Shelf submerged lands to which the Outer Continental Shelf Lands Act of Title 43 U.S.C. §1331 et seq. applies.

§21.1. Effectiveness of certain exemptions and assessment reductions
The exemptions provided for in Section 21(C)(20) and (21) of this Article and the valuation of telephone company properties at fifteen percent of fair market value provided for in Section 18(B)(5) of this Article shall only be effective for a Tax Year in which the Legislative Auditor provides written certification to the Louisiana Tax Commission that funds have been appropriated by the legislature in a law which has become effective which, upon receipt by an ad valorem property taxing authority, will be sufficient to offset the decrease in the total amount of ad valorem taxes collected by such taxing authority because of the operation of those provisions. The appropriation shall be a direct appropriation to state aid to local government for which local government determines the expenditure. The provisions of Article VII, Section 10(F)(1) and (2) shall not be applicable to nor affect such appropriations.

Section 2. Be it further resolved that the provisions of this proposed amendment shall apply retroactively to the Tax Year 2015 so that, notwithstanding any other provision of this constitution or other law to the contrary requiring the assessment and collection of ad valorem taxes by an earlier date, the Louisiana Tax Commission and assessors shall exempt or reassess property according to the terms of this proposed amendment and any ad valorem property taxes and associated charges paid for such tax year not in accordance with the terms of this proposed amendment shall be refunded.

Section 3. Be it further resolved that a decrease in the total amount of ad valorem taxes collected by a taxing authority because of the implementation of the provisions of this amendment shall not authorize the taxing authority to adjust its millages as provided for in Article VII, Section 23 of the Constitution of Louisiana.

Section 4. Be it further resolved that, providing for a matter related to the ad valorem property tax exemptions and reductions provided for in this proposed amendment, notwithstanding Article III, Section 16(B) or any other provision of this constitution or any other law to the contrary, any claim for an income tax or corporate franchise tax credit for ad valorem property taxes paid on the property provided for in this proposed amendment shall not be allowed in Fiscal Year 2015-2016. One-tenth of each such tax credit shall be allowed to a claimant each Fiscal Year thereafter, beginning in Fiscal Year 2016-2017."

AMENDMENT NO. 8
On page 2, line 5, change "Section 3" to "Section 5" and after "resolved that" and before "this proposed amendment" insert: "only if the Legislative Auditor provides written certification to the Secretary of State that funds have been appropriated by the legislature in a law which has become effective which, upon receipt by an ad valorem property taxing authority, will be sufficient to offset the decrease in the total amount of ad valorem taxes collected by such taxing authority because of the implementation of the provisions of this proposed amendment, then"

inventory held by manufacturers, distributors, and retailers, natural
gas held, used, or consumed in providing natural gas storage services
or operating natural gas storage facilities, and vessels principally
operated in Outer Continental Shelf (OCS) waters; to provide that
telephone company properties shall be assessed at 15% of fair market
value; to provide that the exemption and reduction are applicable
only in tax years in which the Legislative Auditor provides written
certification to the Louisiana Tax Commission that funds have been
appropriated by the legislature in a law which has become effective
which, upon receipt by an ad valorem property taxing authority, will
be sufficient to offset the decrease in the total amount of ad valorem
taxes collected by such taxing authority because of the operation of
these provisions; to provide that ad valorem tax millages shall not be
raised because of the implementation of the amendment and that any
claim for a tax credit for taxes paid on such property shall not be
allowed in Fiscal Year 2015-2016, but one-tenth shall be allowed
each Fiscal Year thereafter; and finally to provide that the net
increase in state taxes collected as a result of such exemptions and
reductions shall be deposited in a Tax Credit Reduction Fund, a
portion to be used to ensure that no school system shall have its
minimum Foundation Formula allocation reduced as a result of the
effect of such exemptions and reductions?
(Amends Article VII, Section 18(B) and (D); adds Article VII,
