AMENDMENT NO. 19

On page 11, between lines 13 and 14, insert the following:

"I.(1) The authority may incur debt and issue general obligation bonds under the authority of and subject to the provisions of Article VI, Section 33 of the Constitution of Louisiana, and Subpart A of Part III of Chapter 4 of Subtitle II of Title 39 of the Louisiana Revised Statutes of 1950, for the acquisition and operation of authority property or to carry out the other public purposes of this Chapter, and to issue any other bonds permitted by law, borrow money, and issue certificates of indebtedness, notes, and other debt obligations as evidence thereof and provide for the manner and method of repayment in accordance with law.

(2) The authority may issue revenue bonds to finance the undertaking of a redevelopment project under this Chapter, or otherwise to acquire, purchase, lease, construct, or improve housing, residential development, subdivision development, commercial, research, industrial, or other plant sites and buildings, or other capital improvements authorized in this Chapter, including energy and pollution abatement and control facilities and necessary property and appurtenances thereto; and may sell, lease, sublease, or otherwise dispose of by suitable and appropriate contract to any enterprise locating or existing within the jurisdiction of the authority such sites, buildings, or facilities and appurtenances thereto, all or severally. The funds derived from the sale of such bonds may be disbursed in whole or in part upon delivery of the bonds as shall be provided in the contract between the authority and the residential, commercial, research, industrial, or other enterprise to be aided, encouraged, or benefited subject to the requirements of this Chapter

(3) The issuing authority may enter into, amend, or terminate, as it determines to be necessary or appropriate, any ancillary contracts (a) to facilitate the issuance, sale, resale, purchase, repurchase, or payments of bonds, including without limitation bond insurance, letters of credit, and liquidity facilities, or (b) to attempt to hedge risk or achieve a desirable effective interest rate or cash flow, all subject to the approval of the State Bond Commission.

(4) Bonds issued under Paragraph (2) of this Subsection shall be authorized by resolution of the board and shall be limited obligations of the issuing authority; the principal and interest, costs of issuance, and other costs incidental thereto shall be payable solely from the income and revenue derived from the sale, lease, or other disposition of the project or facility to be financed by the bonds issued under this Subsection, or from the income and revenue derived from the sale, lease, or other disposition of any existing project or facility acquired, constructed, and improved under the provision of this Subsection, or from any source available for such purpose. However, in the discretion of the issuing authority, the bonds may be additionally secured by mortgage or other security device covering all or part of the project from which the revenues so pledged may be derived. Any refunding bonds issued pursuant to this Subsection shall be payable from any source described above or from the investment of any of the proceeds of the refunding bonds authorized under this Subsection and shall not constitute an indebtedness or pledge of the general credit of the parish of Caddo or the city of Shreveport, as appropriate, or the authority within the meaning of any constitutional or statutory limitation of indebtedness and shall contain a recital to that effect. Bonds of the authority issued under this Subsection shall be issued in such form, shall be in such denominations, shall bear interest, shall mature in such manner, and be executed by one or more members of the board as provided in the resolution authorizing the issuance thereof. Such bonds may be subject to redemption at the option of and in the manner determined by the board in the resolution authorizing the issuance thereof.

(5) No bonds or other evidences of indebtedness may be issued pursuant to this Subsection without the prior approval of the governing authority of the city of Shreveport and the State Bond

Commission as to the terms and provisions thereof.

(6) Bonds issued under this Subsection shall be issued, sold, and delivered in accordance with the terms and provisions of a resolution adopted by the board. The board may sell such bonds in such manner, either at public or at private sale, and for such price as it may determine to be in the best interests of the authority, subject to the approval of the State Bond Commission. The resolution issuing bonds shall be published in a newspaper of general circulation within the jurisdiction of the authority, and for a period of thirty days after said publication, any interested citizen may bring an action to contest the bonds and the security therefor, as provided in the Constitution of Louisiana. If, after the expiration of thirty days, no suit has been filed, the issuance, sale, and security of the bonds shall be incontestable, and no court shall have authority to entertain any action questioning or contesting such matters.

(7) Bonds issued by the authority under this Chapter are deemed to be securities of public entities within the meaning of Chapters 13 and 13-A of Title 39 of the Louisiana Revised Statutes of 1950, and shall be subject to defeasance in accordance with the provisions of Chapter 14 of Title 39 of the Louisiana Revised Statutes of 1950, shall be subject to the refunding provisions of Chapter 14-A of Title 39 of the Louisiana Revised Statutes of 1950, and may also be issued as short-term revenue notes of a public entity under Chapter 15-A of Title 39 of the Louisiana Revised Statutes of 1950.

No bonds, other debt obligations, or contracts of the authority shall be a charge upon the income, property, or revenue of the parish of Caddo or the city of Shreveport, as appropriate, nor shall any obligations of the authority be the obligations of the applicable parish or municipality.

(9) Any bonds issued by the authority shall be subject to R.S. 13:5121 et seq., pursuant to which the issuance of the bonds may be submitted to the courts for validation."
