"A.(1) The rights provided to victims of sexual assault contained in this Section attach whether a victim seeks the assistance of either a law enforcement official or a healthcare provider. A victim of sexual assault retains all the rights of these provisions regardless of whether the victim receives a forensic medical examination or whether a sexual assault collection kit is administered.

(2) Notwithstanding any other provision of law to the contrary, nothing in this Section shall be construed to negate or impair any provision of law relative to the mandatory reporting of crimes against children under the age of eighteen years or to negate or impair the investigation or prosecution of any crime against children under the age of eighteen.

B. A victim of sexual assault has the right to be notified of and to request the presence of a sexual assault advocate during the administration of a forensic medical examination or a scheduled interview by a law enforcement official if a sexual assault advocate is reasonably available. Nothing in this Section shall be construed to prohibit the conducting of a forensic medical examination or an interview by a law enforcement official in the absence of a sexual assault advocate.

C.(1) The district attorney, prior to trial, shall make reasonable efforts to interview the victim or designated family member to determine the facts of the case and whether the victim or the family is requesting restitution.

(1) All law enforcement and judicial agencies shall provide a private setting for conducting all interviews of a victim of sexual assault. "Private setting" shall mean an enclosed room from which the occupants are not visible or otherwise identifiable and whose conversations cannot be heard from outside the room. Only those persons directly and immediately related to the interviewing of the victim, specifically the victim, a social worker, psychologist, or other
professional, a victim advocate designated by the sheriff’s office or a representative from a not-for-profit victim service organization including but not limited to rape crisis centers, sexual assault centers, domestic violence advocacy groups, and alcohol abuse or substance abuse groups providing emotional support to the victim, shall be present unless the victim requests the exclusion of such person from the interview, and when appropriate, the parent or parents of the victim.

(b) The victim of sexual assault and the victim’s family may refuse any requests for interviews with the attorney for the defendant or any employee or agent working for the attorney for the defendant. If the victim of sexual assault is a minor, the parent or guardian of the victim may refuse to permit the minor to be interviewed by the attorney for the defendant or any employee or agent working for the defendant. Before any victim of sexual assault may be subpoenaed to testify on behalf of a defendant at a pretrial hearing, the defendant shall show good cause at a contradictory hearing with the district attorney why the subpoena should be issued. Willful disregard of the rights of victims and witnesses as provided in this Paragraph may be punishable as contempt of court.

D. The failure to comply with the provisions of this Section shall not affect the admissibility of any evidence in a civil or criminal proceeding, nor shall any sentence, plea, conviction, or other final disposition be invalidated due to the failure to comply with the provisions of this Section. Nothing in this Section shall be construed as creating a cause of action by or on behalf of any person for an award of costs or attorney fees, for the appointment of counsel for a victim, or for any cause of action for compensation or damages against the state of Louisiana, a political subdivision, a public agency, or a court, or any officer, employee, or agent thereof. Nothing in this Section precludes filing a writ of mandamus as provided in the Code of Civil Procedure to compel the performance of a ministerial duty required by law.

Section 2. R.S. 15:260 is hereby amended and reenacted to read as follows:

§260. Production of certain records of a victim under age eighteen; conditions

A. If the defendant is charged with a violation of R.S. 14:93 or any provision of Subpart C of Part II, Subpart B of Part IV, or Subpart A(1) or A(4) of Part V of Chapter 1 of Title 14 of the Louisiana Revised Statutes of 1950, and the victim was under the age of eighteen at the time of the offense, R.S. 14:93.2.3, or sex offense or human trafficking-related offense as defined in or enumerated in R.S. 46:1344(W), a subpoena or court order compelling the production of medical, psychological, school, or other records pertaining to the victim shall not be issued upon request of the defendant unless the subpoena or court order identifies the records sought with particularity and is reasonably limited as to subject matter, and the court finds, after a contradictory hearing with the state, that the requested records are likely to be relevant and admissible at trial and are not sought for the purpose of harassing the victim.

B. Any records obtained by the defendant or his attorney without full compliance with the provisions of this Section shall be inadmissible in any criminal proceeding.

(applicant) shall make a request to the office to proceed to final certification by submitting to the office a cost report of production expenditures to be formatted in accordance with instructions of the office. The applicant shall make all records related to the cost report available for inspection by the office and the qualified accountant selected by the office to prepare the production expenditure verification report, after which time all such claims to tax credits shall be deemed waived. After review and investigation of the cost report, the accountant shall submit to the office and the secretary a production expenditure verification report. The office and the secretary shall review the production expenditure verification report and may require additional information needed to make a determination as to final certification of all tax credits for that production. Within one hundred twenty days of the receipt of the production expenditure verification report and all required supporting information, the office and the secretary shall issue a tax credit certification letter indicating the amount of tax credits certified for the state-certified production to the applicant for all qualifying expenditures verified by the office. Any expenditures for which tax credits were neither denied nor certified due to insufficient information or other issues, the office and secretary may subsequently issue a supplemental tax credit certification at the time of such resolution.

(2) (bb) For projects with initial certification letters issued before July 1, 2015, upon project completion or at any time after project costs are deemed final by the motion picture production company or applicant, the applicant shall make a request to the office to proceed to final certification by submitting to the office a cost report of production expenditures to be formatted in accordance with instructions of the office promulgated in compliance with the Administrative Procedure Act. The applicant shall make all records related to the cost report available for inspection by the office and the qualified accountant selected by the office to prepare the production expenditure verification report. After review and investigation of the cost report, and after two levels of review within a CPA firm or a second review through a cooperative endeavor with another CPA, the accountant shall submit to the office, the secretary, and the motion picture production company or motion picture investor tax credit applicant or QEC contract, and instructions by the office.

(f)(ii) The Project-Based Production tax credit. After application review and consideration of all discretionary factors, the office and the secretary shall submit their initial certification or written denial of a project as a state-certified production to investors and to the secretary of the Department of Revenue indicating the total base investment which shall be expended in the state on the state-certified production within sixty days of their receipt of all required information. The initial certification shall include a unique identifying number for each state-certified production and shall provide for a preliminary allocation of tax credits by year.

(b) Tax credits certified for goods and services provided by related parties to a state-certified production shall be further limited as follows:

(i) Qualifying production expenditures for Above the Line, or "ATL," services salaries provided by related parties shall be limited to twelve percent of total Louisiana production expenditures.

I. Commencing no later than January 31, 2016, the House Committee on Ways and Means and the Senate Committee on Revenue and Fiscal Affairs shall review the credit authorized pursuant to the provisions of this Section to determine if the credit authorized for the state-certified production amounted to the percentage of the revenue realized by the state as a result of awarding such credit. The House and Senate committees shall make a specific recommendation no later than March 1, 2017, to either continue the credit or to terminate the credit. No credits shall be allowed pursuant to this Section for applications received on or after July 1, 2015, and J. Credit caps, structured pay outs, and project size limitations.
(a) The department shall by rule establish the method of provisionally allocating available tax credits in initial certification letters, and the method for granting tax credits in final tax credit certification letters, including but not limited to a first-come, first-served system, reservation of tax credits for a specific time period, or other method which the department, in its discretion, may find beneficial to the program.

(b) For applications for state-certified productions and qualified entertainment companies submitted on or after July 1, 2017, the total amount of tax credits granted in a final certification letter by the department in any fiscal year shall not exceed one hundred fifty million dollars. Twenty percent of the annual program cap shall be reserved as follows: five percent for qualified entertainment companies, five percent for Louisiana screenplay productions, and ten percent for independent film productions. If the total amount of credits applied for in any particular year exceeds the aggregate amounts of the caps allowed for that year, the excess shall be treated as having been applied for on the first day of the subsequent year.

(c) If the total amount of credits granted to QEC’s in any fiscal year is less than the QEC cap, any residual amount of unused credits shall be carried forward for use in subsequent years and may be granted in the aggregate for each fiscal year.

(ii) If the total amount of credits granted in any fiscal year to screenplay productions or independent film productions is less than their respective caps, any residual amount may be available for issuance by the department during that fiscal year as established by rule.

(d) The department shall make reasonable efforts to post a listing of estimated amounts available under the cap on its website.

(2) Department of Revenue taxpayer claim cap.

(a) Beginning July 1, 2017, claims against state income tax allowed on returns for tax credits or transfers of such tax credits, including legacy credits, to the Department of Revenue as provided for in Paragraph (c)(4) of this Section shall be limited to an aggregate total of one hundred eighty million dollars each fiscal year.

(b) If less than one hundred eighty million dollars of such tax credits and transfers are allowed in a fiscal year, the remaining amount, plus any amounts remaining from previous fiscal years, shall be added to the one hundred eighty million dollar limit of subsequent fiscal years until that amount of tax credits or tax credit transfers to the Department of Revenue are claimed and allowed.

(3) Claims for tax credits or transfers of tax credits to the Department of Revenue shall be allowed on a first-come, first-served basis. Any taxpayer whose claim for such tax credits or transfer to the Department of Revenue is disallowed because the fiscal year cap has been reached may use the tax credits against state income tax due in an aggregate total of one hundred fifty million dollars in any fiscal year.

(ii) If a claim against state income tax for a tax credit is disallowed because the fiscal year cap has been reached, the Department of Revenue may provide an abatement of interest pursuant to R.S. 47:1601 and a waiver of delinquent payment penalties.

(iii) Any transferee whose transfer of legacy credits to the Department of Revenue exceeds ten million dollars in any fiscal year shall be paid a maximum of ten million dollars that year and may transfer the remaining legacy credits, up to a maximum of ten million dollars, pursuant to R.S. 47:1601 to the next fiscal year. The Department of Revenue shall have the right to disallow any transfer tax credits to the Department of Revenue the next fiscal year, and his claim or transfer shall have priority over other claims filed or transfers applied for after the date of his original claim or application for transfer.

(c) For all completed applications for transfer submitted to the Department of Revenue on or after July 1, 2017, the face value of the credits transferred to the Department of Revenue shall be subtracted from the remaining available Department of Revenue taxpayer claim cap.

(d) The Department of Revenue shall make reasonable efforts to post a listing of estimated amounts available under the cap on its website.
