"(2)(a) If a taxpayer pays ad valorem taxes under protest, the taxpayer shall notify the Department of Revenue by submitting a copy of the payment under protest notice, along with a copy of the lawsuit that was filed. Notice shall be provided to the department within five business days of the date the lawsuit is filed. If the taxpayer prevails in the suit against the political subdivision, the amount of the credit issued under the provisions of this Section for ad valorem taxes paid by the taxpayer that the court determined not to be due shall be subject to recapture by the department as provided for in R.S. 47:1621(E), with interest at the rate provided in R.S. 9:3500(B)(1), except as may be otherwise provided in Subsection G of this Section. The taxpayer and the local taxing authorities shall notify the department of the decision by submitting a copy of the final, non-appealable judgment to the department.

(b) Any action by the Department of Revenue to recapture the tax credits shall be initiated within two years from the date that the department receives notice of the final judgment in the suit related to the payment of the taxes under protest.

G. Commencing no later than January 31, 2016, the House Committee on Ways and Means and the Senate Committee on Revenue and Fiscal Affairs shall review the credit authorized pursuant to the provisions of this Section to determine if the economic benefit provided by such credit outweighs the loss of revenue realized by the state as a result of awarding such credit. (2) The Department of Revenue shall not pursue any action to recapture credits issued for ad valorem taxes related to a suit challenging the legality of the ad valorem tax on vessels in Outer Continental Shelf Lands Act waters if the taxpayer prevails, the collecting officer or officers was not required to segregate or escrow the amount paid in accordance with this Subsection, and the taxpayer does not receive a refund of the ad valorem taxes paid from the collecting officer or officers.

(3) In the event the taxpayer prevails in a suit challenging the legality of the ad valorem tax on vessels in Outer Continental Shelf Lands Act waters and the collecting officer or officers refunds any amount paid under protest that was not required to be segregated or held in escrow, the taxpayer shall file an amended tax return within sixty days of the date of issuance of the refund reflecting the amount of the refund and any interest paid on the refunded amount as a reduction in the ad valorem tax credit originally received for the taxes paid under protest. Any taxpayer failing to file an amended return as set forth in this Subsection shall be subject to the penalty provided for in R.S. 47:1602.

(4) This Subsection shall not apply to any payment under protest made by a taxpayer challenging the correctness of an assessment as provided in R.S. 47:2134(B).
