Be it enacted by the Legislature of Louisiana:
Section 1. R.S. 40:2162 is hereby enacted to read as follows:

§2162. Specialized behavioral health rehabilitation services in the Louisiana medical assistance program

(2) "CMS" means the Centers for Medicare and Medicaid Services.

(3) "Community psychiatric support and treatment services", hereinafter referred to as "CPST" services, means CMS-approved Medicaid mental or behavioral health rehabilitation services defined as services associated with assisting individuals with skill-building to restore stability, support functional gains, and adapt to community living, designed to focus on reducing the disability from mental illness, restoring functional skills of daily living, and building natural supports and solution-oriented interventions, or such other successor services or requirements subsequently approved by CMS or the department for CPST services for the Louisiana medical assistance program.

(4) "Department" means the Louisiana Department of Health.

(5) "Louisiana medical assistance program" means the Louisiana Medicaid program.

(6) "Psychosocial rehabilitation services", hereinafter referred to as "PSR" services, means CMS-approved Medicaid mental or behavioral health rehabilitation services defined as psycho-educational services provided to individuals with mental illness in order to assist with skill-building, restoration and rehabilitation, designed to assist the individual with compensating for or eliminating functional deficits and interpersonal or environmental barriers associated with mental illness, or such other successor services or requirements subsequently approved by CMS or the department for PSR services for the Louisiana medical assistance program.

B. Medicaid reimbursement to behavioral health service providers that provide PSR and CPST services in the Medicaid specialized behavioral health rehabilitation services program shall comply with the requirements of this Section.

C. In order to be eligible to receive Medicaid reimbursement, all behavioral health service providers providing PSR or CPST services to Medicaid recipients shall meet all of the following requirements:

(1) Be licensed as a behavioral health service provider agency.

(2) Be accredited by a department-approved accrediting organization and meet the following conditions:

(a) The behavioral health service provider shall show proof of full accreditation or obtain preliminary accreditation prior to being contracted with a Medicaid managed care organization.

(b) The behavioral health service provider shall maintain proof of full accreditation or proof of preliminary accreditation.

(c) If not fully accredited on or before July 1, 2018, the behavioral health service provider shall attain full accreditation within twelve months of its initial accreditation application date and shall provide proof of full accreditation to each managed care organization with which it is contracted.

(d) The behavioral health service provider shall maintain continuous full or preliminary accreditation.

(e) The cost of attaining and maintaining accreditation is the responsibility of the behavioral health service provider.

(f) The behavioral health service provider shall report any loss of accreditation, suspension of accreditation, reduction to a preliminary accreditation status, or any other action that could result in the loss of accreditation, to each managed care organization with which it is contracted, within twenty-four hours of receipt of notification from the accreditation body.

(3) Effective January 1, 2019, have a National Provider Identification number, hereinafter referred to as "NPI". The behavioral health service provider agency shall include its NPI number and the NPI number of the individual rendering the PSR or CPST services on its behalf on all claims for Medicaid reimbursement submitted for PSR or CPST services, for dates of service on or after January 1, 2019.

(4) Implement a member choice form to be signed by each recipient, or the legal guardian or representative of the recipient, receiving PSR or CPST in order to prevent or reduce duplication of services.

(6) Meet any other requirements promulgated through rulemaking by the department to ensure the quality and effectiveness of services.

D. In order to be eligible to receive Medicaid reimbursement, all behavioral health service providers shall ensure that any individual rendering PSR or CPST services for the licensed and accredited provider agency meets all of the following requirements:

(1) Effective for services rendered on or after January 1, 2019, the individual rendering the PSR or CPST services for the licensed and accredited provider agency shall have an individual NPI number and that NPI number shall be included on any claim by that provider agency for reimbursement related to such services.

(2)(a) On and after July 1, 2018, any individual rendering PSR services for a licensed and accredited provider agency shall hold a minimum of a bachelor's degree from an accredited

university or college in the field of counseling, social work, psychology, or sociology. Any individual rendering PSR services who does not possess the minimum bachelor's degree required in this Paragraph, but who met all provider qualifications in effect prior to July 1, 2018, and was providing PSR services on a full-time basis for that licensed and accredited provider agency on or before June 30, 2016, may continue to provide PSR services for the same licensed and accredited provider agency. (b) Within thirty days of the effective date of this Section, the department shall commence any actions that are required to amend any existing department rule or regulation that is in conflict with the requirements of this Section.

E. The department shall maintain a facility need review program for behavioral health service providers that provide PSR or CPST services. No license to provide PSR or CPST services shall be granted to any applicant unless the department determines that the evidence and data submitted by the applicant establishes the probability of serious, adverse consequences to recipients' ability to access services if seeking a license is not permissible.

F.(1) In order to be eligible to receive Medicaid reimbursement, each behavioral health service provider that provides PSR or CPST services shall employ at least one full-time physician, or full-time licensed mental health professional as defined in R.S. 40:2153(7)(a), (b), (c), (d), or (e), to serve as a full-time mental health supervisor to assist in the design and evaluation of treatment plans for PSR and CPST services. (2) The department may refer noncompliant behavioral health service providers to the Louisiana Medicaid Fraud Control Unit within the Louisiana attorney general's office for further fraud investigation.

I. The department may promulgate any rules pursuant to the Administrative Procedure Act and may publish any Medicaid manuals or Medicaid policy to implement and enforce the provisions of this Section.

J. The Louisiana Legislative Auditor may conduct performance audits of the department to ensure compliance with the provisions of this Section.

Section 2. This Act shall become effective upon signature by the governor or, if not signed by the governor, upon expiration of the time for bills to become law without signature by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If vetoed by the governor and subsequently approved by the legislature, this Act shall become effective on the day following such approval.
