B. As used in this Title, unless the context clearly indicates otherwise, the following terms shall be defined as follows:

C. * * *
§382. Apprenticeship council

A. The executive director secretary shall appoint an apprenticeship council, composed of three representatives each from employer and employee organizations respectively, and of two representatives of the general public. The three employer representatives shall be selected from lists supplied by employer organizations which are participating in bona fide apprenticeship programs. The three employee representatives may be representatives of labor organizations, who have been nominated by state labor federations. The state official in charge of trade and industrial education shall, ex officio, be a member of the said council. Each member shall be appointed for a term of three years. The director of apprenticeship shall investigate programs only as necessary to establish compliance, and then only upon proper notice. The parties to such agreement shall be given a fair and impartial hearing, after reasonable notice thereof. All hearings, investigations, and determinations shall be made under authority of reasonable rules and procedures prescribed by the apprenticeship council, subject to the approval of the executive director secretary.
