CHAPTER 10. REMOTE ONLINE NOTARIZATION

§621. Short title
This Chapter may be cited as the "Remote Online Notarization Act".

§622. Definitions
A. In this Chapter:
(1) "Communication technology" means an electronic device or process that allows substantially simultaneous communication by sight and sound.
(2) "Credential analysis" means a process through which the authenticity of an individual's government-issued identification credential is evaluated by another person through review of public and proprietary data sources.
(3) "Identity proofing" means a process through which the identity of an individual is affirmed by another person through the review of public and proprietary data sources.
(4) "Remote online notarial act" means an instrument executed before a notary public by means of communication technology that meets the standards adopted under this Chapter.
(5) "Remote online notarization" means the process through which an instrument is executed before a notary public by means of communication technology that meets the standards adopted under this Chapter.

This Chapter may be cited as the "Remote Online Notarization Act".

A. Except as otherwise provided in Subsections B and C of this Section, a remote online notarial act shall comply with other applicable laws governing the manner of the execution of that act.

B. The following instruments shall not be executed by remote online notarization:
(1) Testaments or codicils thereto.
(2) Trust instruments or acknowledgments thereof.
(3) Donations inter vivos.
(4) Matrimonial agreements or acknowledgments thereof.
(5) Acts modifying, waiving, or extinguishing an obligation of final spousal support or acknowledgments thereof.

Remote online notarization may not be used to execute an authentic act as defined in Civil Code Article 1833. Except as
otherwise provided in Subsection B of this Section, an act that fails to be authentic as a result of being executed by remote online notarization may still be valid as an act under private signature or an acknowledged act.

D. This Chapter supplements and does not repeal, supersede, or limit the provisions of the Louisiana Uniform Electronic Transactions Act, R.S. 9:2601 et seq.

§624. Standards for remote online notarization

A. The notary of state shall, by rule adopted in accordance with the Administrative Procedure Act, develop and maintain standards for the implementation of this Chapter.

B. In developing standards for remote online notarization, the secretary of state shall form a stakeholder committee that shall include but need not be limited to representatives of the Louisiana Land Title Association, the Louisiana Association of Independent Land Title Attorneys, the Louisiana Notary Association, the Louisiana Bankers Association, the Louisiana Clerks of Court Association, and the Louisiana State Law Institute.

C. The rules shall be adopted prior to February 1, 2022, and may thereafter be modified, amended, or supplemented with or without the input of the stakeholder committee.

§625. Notaries authorized to perform remote online notarization

A. Only a regularly commissioned notary public who holds a valid notarial commission in the state of Louisiana may be authorized by the secretary of state to perform remote online notarization.

B. In order to obtain authorization to perform remote online notarization, the notary public shall submit an application to the secretary of state in a format prescribed by the secretary of state, complete any course of instruction required by the secretary of state, and satisfy any other requirements imposed by rules adopted by the secretary of state.

C. The authority to perform remote online notarization shall continue as long as the notary public is validly commissioned and the secretary of state has not revoked the notary public's authority to perform remote online notarization.

§626. Location of notary, parties, and witnesses; location of remote online notarial act

A. A notary public physically located in any parish of the state in which the notary has the power to exercise the function of a notary public may perform a remote online notarization for a party who is not in the physical presence of the notary and who may be located in or outside this state. A witness to a remote online notarial act shall be in the physical presence of the party.

B. A remote online notarial act is deemed to be executed in any parish of the state where any party is physically located at the time of the remote online notarization. If no party was physically located in the state at the time of the remote online notarization, the remote online notarial act is deemed to be executed in the parish where the notary public is physically located at the time of the remote online notarization.

§627. Procedure for performing remote online notarization

A. At the time of a remote online notarization, the notary public shall verify the identity of any party or witness appearing remotely, both through use of communication technology and by one of the following means:

(1) The notary public's personal knowledge of the individual.

(2) A process that includes all of the following:
   (a) Remote presentation by the individual of a government-issued identification credential, such as a passport or driver's license, that contains the signature and a photograph of the individual.
   (b) Credential analysis.
   (c) Identity proofing.

B. The notary public shall do all of the following:

(1) Include in the remote online notarial act a statement that it is a remote online notarial act.

(2) Attach to or cause to be logically associated with the remote online notarial act the notary public's electronic signature, together with all other information required to be included in the act by other applicable law.

(3) Digitally sign the remote online notarial act in a manner that renders any subsequent change or modification of the remote online notarial act to be evident.

§628. Duties of the notary public

The notary public shall take reasonable steps to ensure both of the following:

(1) The communication technology used in the performance of a remote online notarization is secure from unauthorized interception.

(2) The electronic record before the notary public is the same electronic record in which the party made a statement or on which the party executed or adopted an electronic signature.

§629. Records of remote online notarizations

A. The notary public shall do all of the following:

(1) Maintain electronic copies capable of being printed in a tangible medium of all remote online notarial acts for at least ten years after the date of the remote online notarization.

(2) Maintain an audio and video recording of each remote online notarization for at least ten years after the date of the remote online notarization.

(3) Take reasonable steps to secure the records required to be maintained by this Section from corruption, loss, destruction, and unauthorized interception or alteration.

B. The notary public may designate a custodian to maintain the electronic records required by Subsection A of this Section, provided that the notary public has unrestricted access to the electronic records and the custodian meets any standards established by the secretary of state for the maintenance of electronic records.

§630. No variation by agreement

The provisions of this Chapter may not be varied by agreement.

Section 4. Due to the imminent threat posed by COVID-19 as provided in Proclamation Number 25 JBE 2020 and any subsequent proclamation, declaring the existence of a statewide public health emergency, Sections 1, 2, and 3 of this Act shall be retroactive to March 11, 2020."

On motion of Senator Luneau, the amendments were adopted. The bill was read by title. Senator Luneau moved the final passage of the amended bill.

AMENDMENT NO. 1
On page 2, after line 7, insert the following:

"Section 2. R.S. 47:9029(A)(3) is hereby amended and reenacted to read as follows:
§9029. Deposit of revenues; expenditures and investments authorized; transfer of revenues to state treasury; dedication and use of proceeds; corporation operating account; audit of corporation books and records; audits

A. * * *

(3) Within twenty days following the close of each calendar month, the corporation shall transfer to the Lottery Proceeds Fund in the state treasury the amount of net revenues which the corporation determines are surplus to its needs. Net revenues or proceeds shall be determined by deducting from gross revenues the payment costs incurred or estimated to be incurred in the operation and administration of the lottery. This shall include the expenses of the corporation and the costs resulting from any contract or contracts entered into for promotional, advertising, or operational services or for the purchase or lease of lottery equipment and materials, fixed capital outlays, and the payment of prizes to the holders of winning tickets. After the first year of operation the corporation shall transfer each year not less than twenty-five thirty-five percent of gross revenues to the state treasury.

* * *

Section 3. R.S. 47:9029(A)(3) as amended and reenacted by Section 2 of this Act shall supersede R.S. 47:9029(A)(3) as amended and reenacted by Section 1 of this Act and become effective on July 1, 2023, only if the revenues received by the state pursuant to R.S. 47:9029(A)(3) do not increase in amount by Fiscal Year 2023 from that amount received during Fiscal Year 2020."
