leave the envelope sealed.

2. The board shall determine the validity of challenges filed

(a) If the board determines that an absentee by mail

absentee by mail voter report beside the name of the voter
as it appears on the report and write his initials on each page of
the report. If applicable, a member of the board shall tear the

However, a ballot shall not be rejected as containing a distinguishing mark if the ballot was transmitted electronically to a member of the United States Service, as defined in R.S. 18:1302, or a person residing outside the United States.

(8) If a ballot is physically damaged or cannot properly be counted by the counting equipment and the vote cast by the voter is clearly discernable from a physical inspection of the defective ballot, the ballot may be counted by hand or a true duplicate may be made of the defective ballot in the presence of witnesses and substituted for the ballot. Any duplicate ballot shall be clearly labeled “duplicate”, bear a ballot number which shall be recorded on the defective ballot, and be counted in lieu of the defective ballot. After a ballot has been duplicated, the defective ballot shall be placed in the special absentee by mail and early voting ballot envelope or container, and the duplicate ballot shall be counted in lieu of the defective ballot. If a ballot has been duplicated, the defective ballot shall be placed in the special absentee by mail and early voting ballot envelope or container, and the duplicate ballot shall be counted in lieu of the defective ballot after a ballot has been duplicated.

(3) The board shall announce the results from each early voting machine immediately after the machine has completed counting the ballots.

(4)(a) Prior to utilizing any absentee by mail and early voting counting equipment, the parish board of election supervisors shall generate a ballot list and number for each voting machine. The equipment's candidate and question counters are set at zero and no votes have been cast for any candidate or for or against any proposition.

(b) The board shall sign and certify to the correctness of each zero proof sheet and place all zero proof sheets in the special absentee by mail and early voting envelope or container.

(5) The absentee by mail and early voting votes cast for a candidate and those cast for and against a proposition shall be counted and the total number of absentee by mail and early voting votes cast for a candidate and those cast for and against a proposition shall be announced in the order the offices and candidates are listed on the ballot. The members of the board shall enter the total number of votes on the final absentee by mail and early voting vote report and shall verify the count.

J. The final absentee by mail and early voting vote report prepared by the parish board of election supervisors shall be transmitted to the clerk of court immediately upon completion of the tabulation of the absentee by mail and early voting ballots. M. A candidate or his representative, in the presence of a member of the parish board of election supervisors, shall be allowed to inspect the ballots removed from the valid absentee by mail ballots and the ballots removed from the valid early voting ballots when paper ballots are used for early voting. All such inspections shall be held at 10:00 a.m. or following the reinspection of voting machines. Any written request for reappraisal of the ballot results shall be filed with the clerk of court. The deadline for filing a request for reappraisal of the absentee by mail and early voting ballots shall be 4:30 p.m. on the last working day prior to the date of the recount.

(i) Upon completion of the reappraisal of the absentee by mail and early voting ballots, the board shall return the absentee by mail and early voting documents to the special absentee by mail and early voting ballot envelope or container and its contents to the registrar of voters who shall preserve the envelope or container and its contents in the manner provided for in Paragraph (1) of this Subsection.

(4) The parish board of election supervisors shall be entitled to reimbursement at the rate established in R.S. 18:425(E) for attending the recount of absentee by mail and early voting ballots and inspection, but not both if they are conducted on the same day. However, such reimbursement shall not be counted toward the limitation provided in R.S. 18:425(J). No member of the parish board of election supervisors shall be reimbursed for attending a recount of absentee by mail or early voting ballots or inspection if such member received reimbursement for attending the inspection of voting machines which was conducted on the same day as the recount of the absentee by mail and early voting ballots or inspection.

M. The provisions of this Section shall be void and of no effect on August 1, 2021.
