Any proceeding pending by or against the limited liability company or its members or managers, in their capacities as such, may be continued by or against the limited liability company without the need for substituting a new party to such proceeding as a result of a change of the state of organization authorized under this Section. The certificate of conversion issued by the Louisiana Secretary of State shall be conclusive evidence of the fact that the
limited liability company has been duly organized under the laws of this state, except that in any proceeding brought by the state to annul, forfeit, or vacate a company’s franchise, the certificate of conversion shall be only prima facie evidence of due organization. In addition to the other requirements of this Section, a domestic limited liability company converting its state of organization from this state to another state shall also file with the Louisiana Secretary of State a certified copy of the certificate of organization or other official certificate obtained by it from the other state evidencing the company’s organization under the laws of such state. Such certified copy shall be filed with the Louisiana Secretary of State not later than thirty days after issuance of the official certificate evidencing the company’s organization under the laws of the other state.

Section 2. The provisions of this act shall become effective on January 1, 2013.
