$1020.1. Citation, purpose; legislative intent; construction
A. Citation. This Chapter shall be cited as the "Louisiana Workers' Compensation Law".
B. Purpose. The legislature declares that the purpose of this Chapter is all of the following:
(1) To provide for the timely payment of temporary and permanent disability benefits to all injured workers who suffer an injury or disease arising out of and in the course and scope of their employment as is provided in this Chapter.
(2) To pay the medical expenses that are due to all injured workers pursuant to this Chapter.
(3) To return such workers who have received benefits pursuant to this Chapter to the workforce.
C. Legislative intent. The legislature finds all of the following:
(1) That the Louisiana Workers' Compensation Law is to be interpreted so as to assure the delivery of benefits to an injured employee in accordance with this Chapter.
(2) To facilitate injured workers' return to employment at a reasonable cost to the employer.
D. Construction. The Louisiana Workers' Compensation Law shall be construed as follows:
(1) The provisions of this Chapter are based on the mutual renunciation of legal rights and defenses by employers and employees alike; therefore, it is the specific intent of the legislature that workers' compensation cases shall be decided on their merits.
(2) Disputes concerning the facts in workers' compensations cases shall not be given a broad, liberal construction in favor of either employers or employees; the laws pertaining to workers' compensation shall be construed in accordance with the basic principles of statutory construction and not in favor of either employer or employee.
(3) According to Article III, Section 1 of the Constitution of Louisiana, the legislative powers of the state are vested solely in the legislature; therefore, when the workers' compensation statutes of this state are to be amended, the legislature acknowledges its responsibility to do so. If the workers' compensation statutes are to be liberalized, broadened, or narrowed, such actions shall be the exclusive purview of the legislature.

F. Failure Except as otherwise provided in this Chapter, failure to provide payment in accordance with this Section or failure to consent to the employee's request to select a treating physician or change physicians when such consent is required by R.S. 23:1121 shall result in the assessment of a penalty in an amount up to the greater of twelve percent of any unpaid compensation or medical benefits, or fifty dollars per calendar day for each day in which any all compensation or medical benefits remain unpaid or such consent is withheld, together with reasonable attorney fees for each disputed claim; however, the fifty dollars per calendar day penalty shall not exceed a maximum of two thousand dollars in the aggregate for any claim. The maximum amount of penalties which may be imposed at a hearing on the merits regardless of the number of penalties which might be imposed under this Section is eight thousand dollars. An award of penalties and attorney fees at any hearing on the merits shall be res judicata as to any and all claims for which penalties may be imposed under this Section which precedes the date of the hearing. Penalties shall be assessed in the following manner:
(1) Such penalty and attorney fees shall be assessed against either the employer or the insurer, depending upon fault. No workers' compensation insurance policy shall provide that these sums shall be paid by the insurer if the workers' compensation judge determines that the penalty and attorney fees are to be paid by the employer rather than the insurer.
This Subsection shall not apply if the claim is reasonably controverted or if such nonpayment results from conditions over which the employer or insurer had no control.

(3) Except as provided in Paragraph (4) of this Subsection, any additional compensation paid by the employer or insurer pursuant to this Section shall be paid directly to the employee.

(4) In the event that the health care provider prevails on a claim for payment of his fee, penalties as provided in this Section and reasonable attorney fees based upon actual hours worked may be awarded and paid directly to the health care provider. This Subsection shall not be construed to provide for recovery of more than one penalty or attorney fee.

H. (1) Upon making the first payment of compensation and upon modification or suspension of payment for any cause, the employer or insurer shall immediately send a notice to the office, in the manner prescribed by the rules of the director, that payment of compensation has begun or has been suspended, as the case may be. A payor, which from a prior contract has been assigned responsibility by the payor to contract for the payment of benefits or medical expenses incurred by the claimant as a result of an injury covered by this Chapter, shall do all of the following:
