AMENDMENT NO. 1

On page 1, delete lines 2 through 6 and insert the following: "To enact R.S. 48:250.4., relative to toll collection and enforcement; to provide with respect to the collection of tolls and enforcement on a state-owned toll facility by the Department of Transportation and Development; to provide for definitions; to provide for procedures; and to provide for related matters."

AMENDMENT NO. 2

On page 1, delete lines 8 through 20 and delete pages 2 through 7 and insert the following:

"Section 1. R.S. 48:250.4.1 is hereby enacted to read as follows: §48:250.4.1. State-owned toll facilities; toll collection and enforcement

A. Pursuant to R.S. 48:250.4, the department may exercise so much of the police powers of the state as shall be necessary to maintain the peace and accomplish the orderly handling of authority, subject to the provisions of this Section. The department's exercise of these powers shall extend to any state-owned toll facility. The department may delegate the exercise of these powers to any private entity acting on its behalf in the operation of a toll facility.

B. Terms as defined in R.S. 32:1 shall retain such definitions, except as specifically defined in this Subsection. As used in this Section, unless the context indicates otherwise, the following terms have the following meanings:

(1) "Electronic mail" means a message, file, or other information transmitted through a local, regional, or global computer network.

(2) "Electronic mail address" means a destination, commonly expressed as a string of characters, to which electronic mail may be sent or delivered.

(3) "Electronic toll collection" or "ETC" means a system of collecting tolls or charges capable of charging an account holder for the appropriate toll by transmission of information between a device on a motor vehicle and a toll collection facility.

(4) "Pay" means paying a toll by cash, by permitting a charge against a valid toll-tag account with the department, or by any other means of payment approved by the department.

(5) "Photo-monitoring system" means a motor vehicle sensor installed to work in conjunction with a toll collection facility that

automatically produces a photograph, microphotograph, videotape, or other recorded image of a motor vehicle or trailer when the operator of the motor vehicle fails to pay a toll.

(6) "Toll" or "tolls" means any fee, or charge imposed, revised, and adjusted from time to time for the use of a state-owned transportation facility.

(7) "Toll tag" means an electronic device issued for use with an ETC on any state-owned toll transportation facility.

(8) "Valid toll-tag account" means a toll-tag account with the department that has a balance of not less than fifty cents.

(9) "Operating entity" means any entity operating a toll facility subject to the requirements of this Section.

(10) "Private entity" means a corporation, limited partnership, general partnership, limited liability company, joint venture, business trust, or other business entity.

C. No motor vehicle shall be driven and no motor vehicle or trailer shall be towed through any state-owned toll collection facility without payment of the proper toll. If the proper toll is not paid, as evidenced by video or electronic recording, the registered owner of such vehicle or trailer shall be liable to make prompt payment to the department of the proper toll and an administrative fee of twenty-five dollars to recover the cost of collecting the toll.

D. The registered owner is prima facie responsible for the payment of the toll, administrative fees, and late charges that the department may assess pursuant to this Section. It is not a defense to liability for payment under this Section that a registered owner was not operating the motor vehicle or trailer at the time of the failure to pay the toll, except that the registered owner shall not be liable under this Section when the registered owner makes a report to a law enforcement officer or agency that the motor vehicle or trailer was stolen before the failure to pay a toll occurs or within forty-eight hours after the registered owner becomes aware of the theft.

E. The department shall adopt policies and procedures for the collection of tolls, administrative fees, and late charges authorized pursuant to this Section, in accordance with the Administrative Procedure Act.

F.(1) Failure to comply with the requirements of this Section shall result in the following late charges or sanctions, or both, against the registered owner:

(a) The department may assess the following penalties for late payment, for failure to pay, or for otherwise failing to respond, or both, against the registered owner:

(i) A registered owner who fails to pay the administrative fees specified in a violation notice and who fails to appeal a violation notice as provided by this Section within thirty calendar days after the date of the issuance of the violation notice shall incur a late charge of five dollars. A registered owner who fails to respond to a violation notice within sixty calendar days after the date of issuance of the violation notice shall not be able to renew his driver's license until all matters regarding the alleged toll violation are disposed of in accordance with law. The violation clerk shall notify the registered owner by first-class mail of this delinquency and consequences thereof.

(ii) A registered owner who fails to respond to a violation notice as provided by this Section within sixty calendar days after the date of the issuance of the violation notice shall be prohibited from renewing his driver's license. The violation clerk shall notify the Louisiana office of motor vehicles of this delinquency. Upon notice from a violation clerk of the department, the office of motor vehicles shall place the matter on record and shall not renew the driver's license of the registered owner or the registration of the vehicle until after notice from the violation clerk that the matters have been disposed of in accordance with law.

(b) After a notice to the office of motor vehicles provided in Item (a)(ii) of this Paragraph, the department shall not be required to send violation notices of delinquency to registered owners with ten or more toll violations. However, the tolls and administrative fees of such registered owner shall continue to accumulate.

(2) The department may pursue such civil and criminal action as it deems appropriate to collect the tolls and administrative fees assessed in the violation notice as well as such subsequent late charges assessed in accordance with this Section.

G.(1) A photograph, microphotograph, videotape, or other recorded image produced by a photo-monitoring device is admissible

in a proceeding to collect a toll or other charge of the department, to collect criminal penalties imposed, or to impose criminal liability for a failure to pay the toll or charge.

(2) An original or facsimile of a certificate, sworn to or affirmed by an agent of the department that states that a failure to pay has occurred and states that it is based upon a personal inspection of a photograph, microphotograph, videotape, or other recorded image produced by a photo-monitoring system, as defined in this Section, is prima facie evidence of the facts contained in the certificate.

(3) Notwithstanding any other provision of law to the contrary, a photograph, microphotograph, videotape, or other recorded image prepared for enforcement of tolls is for the exclusive use of the department in the discharge of its duties under this Section.

H. The department shall from time to time designate one or more violation clerks and agents to perform the functions specified in this Section at the pleasure of the department and for such finite or indefinite period as the department deems desirable. The department shall supervise and coordinate the processing of violation notices in accordance with this Section. The department may hire or designate such personnel and organize such sections as the department may consider necessary to carry out the provisions of this Section.

I. The department may contract with an operating entity to carry out the provisions of this Section.

Section 2. This Act shall become effective upon signature by the governor or, if not signed by the governor, upon expiration of the time for bills to become law without signature by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If vetoed by the governor and subsequently approved by the legislature, this Act shall become effective on the day following such approval."

On motion of Senator Cortez, the committee amendment was adopted. The amended bill was read by title and referred to the Legislative Bureau.

Notwithstanding any provision of law to the contrary, and as a grant of power in addition to any other general or special law, the State Bond Commission, hereinafter referred to as the "commission", on behalf of the Department of Transportation and Development, hereinafter referred to as the "department", may issue bonds, notes, certificates, or other evidences of indebtedness, hereinafter collectively referred to as the "bonds", for the purpose of funding the projects listed in R.S. 39:91(B)(5), and may pledge the economic proceeds received by the state from the Deepwater Horizon oil spill litigation for the payment of the principal and interest of such bonds. The commission is further authorized, in its discretion, to pledge all or any part of any gift, grant, donation, or other sum of money, aid, or assistance from the United States, the state, or any political subdivision thereof, unless otherwise restricted by the terms thereof, all or any part of the proceeds of bonds, credit agreements, instruments, or any other money of the commission, from whatever source derived, for the further securing of the payment of the principal and interest of the bonds. Any bonds issued pursuant to the provisions hereof shall constitute revenue bonds under Article VII, Section 6 of the Constitution of Louisiana, and such bonds shall be payable solely from an irrevocable pledge and dedication of the economic damage proceeds received by the state from the Deepwater Horizon oil spill damages beginning in Fiscal Year 2022 and through Fiscal Year 2034, or other fees, rates, rentals, charges, grants, or other receipts or income derived by or in connection with an undertaking, facility, project, or any combination thereof, without a pledge of the full faith and credit of the state, hereinafter referred to as "revenues".

E. In accordance with the provisions of Article VII, Section 9(A)(6) of the Constitution of Louisiana, there is hereby established a special fund for the purpose of providing for the securitization of any bonds which may be issued pursuant to the provisions of this Section which shall include requirements for reserves and credit enhancement devices, all as may be provided in any resolution, trust agreement, indenture, or other instrument pursuant to which such bonds were issued. The fund shall be administered by a trustee as designated by the State Bond Commission. The source of monies for the fund shall be the economic damage proceeds received by the state from the Deepwater Horizon oil spill damages beginning in Fiscal Year 2021 and through Fiscal Year 2034, pursuant to R.S. 39:91. All revenues received from the economic damages as are necessary to provide for all requirements associated with the bonds as provided in this Section shall be classified and set aside in a separately identifiable fund or account outside of the state treasury but maintained by the state treasury and such revenues shall be assigned and pledged to the trustee under the documents pursuant to which the bonds were issued for the benefit of the holders of the bonds. Only after satisfaction of all requirements of this Section shall any monies received by the state from the Deepwater Horizon economic damages be available for any other purposes, and specifically for the purposes provided for in this Section.

F. Bonds issued under the provisions of this Section shall not be deemed to constitute a pledge of the full faith and credit of the state or of any governmental unit thereof. All such bonds shall contain a statement on their face substantially to the effect that neither the full faith and credit of the state nor the full faith and credit of any public entity of the state are pledged to the payment of the principal of or the interest on such bonds. The issuance of bonds under the provisions of this Section shall not directly, indirectly, or contingently obligate the state or any governmental unit of the state to levy any taxes whatsoever therefor or to make any appropriation for their payment.

G. Bonds shall be authorized by a resolution of the commission

and shall be of such series, bear such date or dates, mature at such time or times, bear interest at such rate or rates, including but not limited to fixed, variable, or zero rates, be payable at such time or times, be in such denominations, be in such form, carry such registration and exchangeability privilege, be payable in such medium of payment and at such place or places, be subject to such terms of redemption prior to maturity at such price or prices as determined by the commission, and be entitled to such priority on the revenues as such resolution or resolutions may provide.

H. Bonds shall be sold by the commission at public sale by competitive bid or negotiated private sale and at such price as the commission may determine to be in the best interest of the commission and the state.

I. Except for the provisions of R.S. 39:1367, the issuance of the bonds shall not be subject to any limitations, requirements, or conditions contained in any other law, and bonds may be issued without obtaining the consent of any political subdivision of the state or of any agency, commission, or instrumentality of the state. The bonds shall be issued in compliance with the provisions of this Section.

J. For a period of thirty days after the date of publication of a notice of intent to issue bonds in the official journal of the commission authorizing the issuance of bonds hereunder, any person in interest shall have the right to contest the legality of the resolution and the legality of the bond issue for any cause, but after that time no one shall have any cause or right of action to contest the legality of the resolution or of the bonds or the security therefor for any cause whatsoever. If no suit, action, or proceeding is begun contesting the validity of the resolution, the bonds or the security therefor within the thirty days herein prescribed, the authority to issue the bonds and to provide for the payment thereof, the legality thereof, and all of the provisions of the resolution authorizing the issuance of the bonds shall be conclusively presumed to be legal and shall be incontestable. Any notice of intent so published shall set forth in reasonable detail the purpose of the bonds, the security therefor, and the parameters of amount, duration, and interest rates. Any suit to determine the validity of bonds issued by the commission shall be brought only in accordance with the provisions of R.S. 13:5121 et seq.

K. All bonds issued pursuant to this Section shall have all the qualities of negotiable instruments under the commercial laws of the state.

L. Any pledge of the revenues or other monies made by the commission shall be valid and binding from the time when the pledge is made. The revenues or monies so pledged and thereafter received by the commission shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the commission irrespective of whether such parties have notice thereof. Any trust agreement or other instrument by which a pledge is created need not be filed or recorded except in the official records of the commission.

M. Neither the members of the commission nor any person executing the bonds shall be personally liable for the bonds or be subject to any personal liability or accountability by reason of the issuance thereof.

N. Bonds of the commission, their transfer, and the income thereof shall at all times be exempt from all taxation by the state or any political subdivision thereof, and may or may not be exempt for federal income tax purposes. The bonds issued pursuant to this Section shall be and are hereby declared to be legal and authorized investments for banks, savings banks, trust companies, building and loan associations, insurance companies, fiduciaries, trustees, and guardians. Such bonds shall be eligible to secure the deposit of any and all public funds of the state and any and all public funds of municipalities, parishes, school districts, or other political corporations or subdivisions of the state. Such bonds shall be lawful and sufficient security for said deposits to the extent of their value. When any bonds shall have been issued pursuant to Subsection A of this Section, neither the legislature, the state, nor any other entity may act to impair any obligation or contract for the benefit of the holders of the bonds or discontinue or decrease the fees, taxes, rates, or other revenues pledged to the payment of the bonds authorized hereunder or permit to be discontinued or decreased said revenues in

anticipation of the collection of which such bonds have been issued, or in any way make any change in the allocation and dedication of any fee, rate, or other revenues which would diminish the amount of the revenues to be received by the commission, until all such bonds shall have been retired as to principal and interest, and there is hereby vested in the holders from time to time of such bonds a contract right in the provisions of this Section.

O. The commission may provide by resolution for the issuance of refunding bonds pursuant to R.S. 39:1444 et seq.

P. The holders of any bonds issued hereunder shall have such rights and remedies as may be provided in the resolution or trust agreement authorizing the issuance of the bonds, including but not by way of limitation, appointment of a trustee for the bondholders, and any other available civil action to compel compliance with the terms and provisions of the bonds and the resolution or trust agreement.

Q. Subject to the agreements with the holders of bonds, all proceeds of bonds and all revenues pledged under a resolution or trust agreement authorizing or securing such bonds shall be deposited and held in trust in a fund or funds separate and apart from all other funds of the state treasury or of the department. Subject to the resolution or trust agreement, the trustee shall hold the same for the benefit of the holders of the bonds for the application and disposition thereof solely to the respective uses and purposes provided in such resolution or trust agreement.

R. The commission is authorized to employ all professionals it deems necessary in the issuance of the bonds.

S. The commission is authorized to enter into any and all agreements or contracts, execute any and all instruments, and do and perform any and all acts necessary, convenient, or desirable for the issuance of the bonds or to carry out any power expressly given in this Section.

T. Any other provision of law to the contrary notwithstanding, any revenues deposited in the bond fund that are pledged to the repayment of any bonds issued in accordance with this Section may be collected and disbursed in accordance with the documents pursuant to which such bonds were issued."
